

GC Soldier Shot, Killed By Wife In Maryland

Mrs. James O. Hicks,
22, Being Held On 1st
Degree Murder Charge

A local area soldier, James O. Hicks, 20, was shot and killed by his wife, Loretta, yesterday morning in their modest three-room home a short distance from Fort George Meade, Md.

Maryland state police, who have charged Mrs. Hicks, the former Loretta Whitaker, with first degree murder, said the shooting followed an argument during which Pvt. Hicks threatened to leave, taking their year-old son, Kenneth, with him.

The Hicks had lived at Jessup, Md., three miles from Ft. Meade, since their marriage in St. Charles county about two years ago. He was stationed with the 35th Ar-

JAMES O. HICKS

tillery Brigade at Ft. Meade, since enlisting. His mother, Mrs. Freda Hicks, resides at 137 Voight place, Mitchell.

Shot With 21 Rifle
The shooting occurred in the kitchen of the small bungalow. Mrs. Hicks, 22, a native of Illinois, had obtained a .22 caliber semi-automatic rifle from a friend at that time. Pvt. Hicks was packing their child's clothes to take with him. He had placed the infant in a crib.

When Maryland State Police Cpl. Thomas Collins arrived on the scene, he found Pvt. Hicks lying in the doorway between the kitchen and back porch.

Mrs. Hicks admitted the shooting, she said. She is being held on a first degree murder charge, without bond, at the Howard county jail. A preliminary hearing is to be scheduled early next week.

It was learned her mother, Mrs. Ruth Nizinski, 2441 Kilgore avenue, left yesterday for Maryland.

Given Day Off
The shooting was reported at 8:30 a.m. Trooper Cpl. Collins said Pvt. Hicks had gone to the fort to report for duty and had asked for the day off because of a headache.

Changes In Policy By Madison Council

Preliminary Meetings
Open To Press; Public
Sessions To Be On Time

With renovation of the second floor of the Madison city hall rapidly being completed, Mayor Stephen Maeros announced two policy changes in the council proceedings during Tuesday night's council meeting.

Regular bi-weekly public meetings will begin on time, Mayor Maeros said, and the press will be admitted to any preliminary council discussions.

"We've been remiss in regard to the stated meetings," the mayor commented. They will begin promptly at 8 p.m. from now on, and all business will be heard and carried on to the best of our ability."

Seating For Public
The remodeled council chamber will have improved facilities for seating spectators. The public session has attended past sessions, he explained his committee late following preliminary private discussions in an adjacent room.

There was no preliminary meeting Tuesday night.

While the mayor agreed to admit the press to preliminary sessions, he reaffirmed his conviction that the council has a right to convene privately in advance of public meetings.

Cites Progress
"I believe the record of progress in the city of Madison speaks for itself," he said. "The policy always has been to have preliminary sessions—and I dislike that word caucus."

"I enjoy a preliminary session because it gives me a chance to bring the aldermen up to date on municipal affairs since the last time I saw them."

"We have continually progressed, as the record will indicate, and this is evidently indicative of the way municipal affairs have been conducted through preliminary sessions. Evidently the people are satisfied."

"I'm a firm believer in the inalienable right bestowed on citizens as citizens to meet in a democratic way in free speech," he added.

"Any elected officer has the prerogative in my opinion, to do what he wants to before the stated meeting and after," he added.

Study Of Bills
The mayor pointed out that a main function of the preliminary session has been to allow the finance committee to analyze bills.

"The finance committee approves the bills before the council acts on them, and this takes 15 or 20 minutes. It is done beforehand to expedite the meeting."

Third Ward Alderman Raymond Kozielek said that often at the preliminary sessions, the mayor gives out information two weeks or more ahead of time on business to be taken up at a later meeting.

Police Car Bids
Four bids on two new police cars for the Madison police department were opened and read. They were referred to the purchase committee.

Carl M. Lomax, 62, Dies; Stricken While On Boat

Carl M. Lomax, 62, secretary-treasurer of S. M. Wilson & Co. general contractors, died about 2 p.m. yesterday after he apparently was stricken and fell from a boat into the Mississippi River near West Alton. Efforts to revive him failed, although he was pulled to shore by a circulator in the water only a short time.

Mr. Lomax recently returned from the Mayo Clinic at Rochester, Minn., where he underwent extensive medical tests. The family said he had been unwell for some time, but a circulator disorder since his return.

He was raising a radio antenna on the 12-foot cabin cruiser when he fell. Also on the boat were Edward Holckamp of Clayton, Mo., and Joseph Kennedy of 2338 State st. They said Mr. Lomax did not go under water, and was quickly pulled to shore by Holckamp.

Autopsy Today
A pulmonologist was seen as soon as Mr. Lomax reached shore, but doctors were unable to revive him. An autopsy was under way today, with an inquest to be conducted Monday by County Frank Amaling of St. Charles county.

The accident occurred about 100 yards from the Illinois shore near Harbor Point. Mr. Lomax and the other two men were moving the boat from the Harbor Point boat house upriver to the South Shore boat house.

Mr. Lomax was born in Loomis, Ill., and had been a resident of this community since 1908. He had been associated with the contracting firm for 26 years.

His home address was Rural Route 4, Edwardsville. He had participated in a number of construction projects with the firm.

He was past exalted ruler of Elks Lodge No. 1083, and was the first president of the Granite City Optimist Club.

Survivors include his wife, Florence, a son, Wesley J. Lomax of Granite City; a daughter, Mrs. Walter (Joanne) Perschke of Santa Ana, Calif.; a half-brother, Harold Henneberry of Granite City; and four grandchildren.

Funeral arrangements appear in the obituary column.

Tools Stolen At New Center

Contractor Leo Wolf reported to police Tuesday morning that sometime during the night burglars broke the lock on a tool shed at the new Pontoon Plaza shopping center and apartments on Pontoon road. Stolen were two wheelbarrows, two sledges, four 50-pound boxes of nails, a 50-foot roll of steel mesh, and a seven-inch pipe saw. Several sewer line were broken during the burglary.

The mayor pointed out that a main function of the preliminary session has been to allow the finance committee to analyze bills.

"The finance committee approves the bills before the council acts on them, and this takes 15 or 20 minutes. It is done beforehand to expedite the meeting."

Third Ward Alderman Raymond Kozielek said that often at the preliminary sessions, the mayor gives out information two weeks or more ahead of time on business to be taken up at a later meeting.

\$555-\$866 Salaries Offered, Rejected

2-Year Pact Proposed
By District; Teachers
To Submit New Request

Monthly pay boosts of \$22 this year and an additional \$11 next year were offered by the Granite City school district yesterday afternoon and rejected a short time later at a meeting of Teachers' Federation Local 743.

Mrs. Helen Bjorkman, local 743 salary and policy committee chairman, told the Press-Record that a counter-proposal will be submitted by her group in the next few days.

Negotiations between the committee and school administrators are expected to take place soon, but no dates have been set.

The rejected offer, estimated to cost a total of \$270,000, not counting yearly investments in the salary schedule, would result in a \$544-\$855 basic salary schedule for 1962-63 and a \$555-\$866 schedule for next year. Over 500 employees would be affected.

The district also proposed an extra \$11 monthly for teachers with 25 or more years of service.

Several offers and requests were considered during negotiations last spring. When no agreement was reached, the talks were postponed to the fall semester.

In recent weeks, the subject of negotiations has been working of a series of working agreements. These have now been completed, resulting in the salary issue being revived.

Closed-Door Session
The offer presented by Supt. Harold M. Kaiser was based on instructions given by the board during a two-hour closed-door session held Tuesday night. The overall meeting lasted from 7:30 to 9:30 p.m.

Ernst Sieveking Dies At Age 96; Beautiful Park

Ernst Sieveking, 96, superintendent emeritus of the Granite City park district, died early yesterday at the Lutheran Convalescent Home, St. Louis.

He designed and built the park beautification, died at 12:30 a.m. yesterday at the Lutheran Convalescent Home, St. Louis.

Mr. Sieveking was the park district's only employee for several years after beginning work in 1921. He remained as active superintendent until about six years ago, and after that was retained in an advisory capacity.

Designed Formal Gardens
He designed and built the park's rock gardens, developing a new design each spring. Milton Worthen, park board vice-president, said yesterday Mr. Sieveking more than any other individual is responsible for the beauty of Wilson Park.

"His personal pride in his work was always evident in the condition in which the park was kept," Worthen said.

Mr. Sieveking had been at the St. Louis convalescent home for 11 months. His death was attributed to age and complications.

His home address was 2432 State street.

Native Of Germany
Born in Germany, he had been a Granite City resident since 1903. He was a member of the Concordia Lutheran church, where he was honored in 1954 for 30 years of active church work. His 88th birthday anniversary was celebrated that year with an open house at the church.

Survivors include two sons, Paul and Arthur of St. Louis; three daughters, Mrs. Theodore (Lance) Auderheide, Granite City; Mrs. Ann Meier of Los Angeles; and Mrs. Robert (Dorothy) Wilson of Long Beach, Calif.; 11 grandchildren, 24 great-grandchildren and one great-great-grandchild.

Mr. Sieveking's wife, Lydia, preceded him in death in 1944. Funeral arrangements are given in the obituary column.

25 DAYS QUAD-CITY TRAFFIC DEATH

The annual Union Thanksgiving Service sponsored by the Quad-Cities Ministerial Association will be held at First Assembly of God Church, 24th street and Grand avenue, at 7:30 p.m. Wednesday, Nov. 21.

The message will be presented by Rev. Paul Surbey, pastor of St. John United Church of Christ, Rev. Surbey will speak on the topic "Universal Motives for Thanksgiving."

The choir of the host church will present two anthems under the direction of Mrs. Virginia Lee Evans.

In addition to Rev. Surbey, several area ministers will participate in the service of worship. They are: Rev. Robert Boaty, president of the ministerial group; Rev. Paul Evans, the host pastor; Rev. Raymond Switzer, pastor of the Dewey Avenue Methodist Church; Rev. Howard Lucas, First Presbyterian Church in Madison; Clayton Billie H. Cox of the Granite City engineer department; Rev. Howard White, Third Baptist Church.

Other pastors will serve as hosts: Rev. Robert Bauman of St. Peter's United Church of Christ will be the head usher. The public is to attend the inter-denominational service.

Fall, Illness Put Two Teachers In Hospital

Two Madison school district faculty members were hospitalized this week. Ricky Browning, 2138 Cleveland blvd., Norma Loyer, Mitchell, Nina Pfaffen 2305 Monroe street; George Thomas, Edwardsville, a Madison high school teacher, entered the Highland hospital after becoming ill at school Monday and is still being treated there.

Arthur Christie, school district social worker, fell to the sidewalk at his home in Poag Monday night and is at St. Joseph's Hospital, Alton, for treatment of three rib fractures.

12 GC Students Among 13 Hurt In Fog Crashes

Car Overturns Injuring
Girl Critically; Head-On Crash; Bus Mishap

Twelve Granite City students, five of them passengers on a school bus, were among 13 persons hurt in three separate traffic accidents resulting from dense fog Monday night and Tuesday morning.

Five were hurt in a six-in-one, head-on collision, which directly caused the school bus mishap on U.S. By-pass 66-40, and a young girl and another student were in an auto that overturned on a curve in the fog. The girl was injured critically.

The week's accidents for the area totaled 16 with 16 injuries.

Dense fog along U.S. By-pass 66-40 resulted in a double crash at 8:10-20 a.m. Tuesday, injuring 11 persons, including 10 school youngsters. Involved were a school bus, a tractor-trailer truck and three autos.

State police said a westbound auto driven by David Walker, 24, of 2088 Namecki road, was passing another driven by Paul White, 47, of 2012 Cleveland blvd., when he collided with an eastbound auto driven by John Bierschwal, 16, of 2653 Highway 66-40.

Walker was enroute to work at Asphaltic Concrete Corp. in Ashland county. He said he was passing a slow moving vehicle in a fog bank, driving about 20 miles an hour.

Police said Walker's auto spun around after the first impact and struck White's auto. Walker suffered cuts to the face and left knee. He was treated and released. White was uninjured.

5 GCMS Students
Bierschwal and four girl passengers all were admitted to the hospital. They are students at Granite City high school.

The youth, a sophomore, said he had gone to Clinton Island to pick up the girls. He had crossed the canal bridge and found the girls waiting on the east side where two of the girls were to take the bus. Thinking the bus had gone by they started to drive off when the crash occurred.

The passengers were Virginia Ritt, 15, Sherry Stagner, 16, Emma Jean Morgan, 15, and the village backers are all Route One.

Miss Stagner, a junior, was knocked unconscious. She suffered lacerations to the face and nose. Miss Marks, a junior, suffered lacerations to the forehead and injuries to the back and right arm. She underwent surgery. Miss Moran, a sophomore, sustained lacerations to the forehead, face and left knee. The bus was admitted for repairs to the left hand, nose, skull and left lower leg.

Bierschwal suffered lacerations to the face and abrasions to the chest, skull and ribs. He sustained a deep cut at his left eye.

Bus Hits Truck
A few minutes later a school bus belonging to Community Coach Co. was involved in an accident on page 5, col. 11.

Elements Of Uncertainty In Village Plan

Low Prevents Pontoon
Voters From Knowing
Identity Of Officials

(Ninth of a series)

Many of the factors which would affect Pontoon Beach residents under a village government will be unknown or undecided when they go to the polls to decide on the incorporation plan Saturday, Dec. 8.

This, to some degree, they will be buying a "pig in a poke" if they vote to create a village government.

This is not the fault of any supporters or opponents of the proposal; it is due to the law and to the circumstances.

Identity, Policies Unknown
Part of the uncertainty—stemming from the Illinois statutes—would be true no matter which community was involved nor when incorporation was considered.

In this category is the lack of information on who would govern the village, what their policies would be and how efficiently the policies would be carried out.

The law provides that the decision on whether to incorporate comes first.

If a majority of the votes are "Yes," a second election then will be held to determine the initial village officials, including a president and a six-member board of trustees.

Questioning Of Candidates
Willard F. Hicks, principal advocate of incorporation, takes the position that such uncertainty and risk can be kept to a minimum by submitting questions to all candidates to learn their ideas on how the village should be operated.

"The candidates will be asked about their plans before the second election takes place," Hicks has told the Press-Record, stressing that voters will be made to inform all voters of the stands taken so that they will have full information in selecting village officials.

The second element in the "pig in a poke" situation is the fact that the village backers are not sure of the results.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Ricky Browning, 2138 Cleveland blvd.; Norma Loyer, Mitchell; Nina Pfaffen 2305 Monroe street; George Thomas, Edwardsville, a Madison high school teacher, entered the Highland hospital after becoming ill at school Monday and is still being treated there.

Arthur Christie, school district social worker, fell to the sidewalk at his home in Poag Monday night and is at St. Joseph's Hospital, Alton, for treatment of three rib fractures.

Name 5 To School Cafeteria Staff; Omit Trainers

Employment of five cafeteria workers for the lunch program at Granite City high school was approved Tuesday night by the school board. Two other cafeteria positions are to be filled at a later meeting.

Those hired were Mrs. Clara Oster, 2033 Lewis avenue; Mrs. Edith Shisko, 2653 East 27th street; Mrs. Frances Painter, 2445 Hodges avenue; Mrs. Nadine Schade, 2138 Johnson road; and Mrs. Loretta Ray, 3205 Kirkpatrick. Homes.

The board granted a leave of absence for the remainder of the school year to Mrs. William (Jo Ann) Burck, third grade teacher at Marshall school.

M. A. Wittetrongel, administrative assistant in charge of vocational and adult education, was authorized to attend the American Vocational Convention Dec. 3 to Dec. 7 in Milwaukee.

GCIS Secretary Post
It was decided to create a new secretarial position at GCIS, due to enrollment gains there which have necessitated overtime work for the office staff. Supt. Harold M. Kaiser said there also is a vacancy in the secretarial staff of the school district administrative office.

Ferris was granted for tape-recording of nine GCIS basketball games for later radio use, subject to school district approval of the broadcast sponsor.

Board President Robert Spengler presented to the board a silver bowl awarded the school district for its cooperation in making school facilities available to the Granite City park district. The annual park appreciation award trophy had been accepted by Spengler on behalf of the board at a park athletic banquet.

Employee Suggestions
Several improvements in operation of the schools have been suggested by custodians and have been put into use, Dr. Kaiser said in reporting on the school district's new suggestion program. They relate to use of safety shoes on ladders and regulation of window shades and outdoor night lights.

In addition to verbal recognition, it was decided to place written recognition in the records of each custodian submitting a suggestion which is utilized. The board decided to contact city traffic authorities to determine the status of plans to eliminate portable traffic lights and reversible stop signs which have been outlawed by the state and federal governments. Spengler cited the potential school liability during the period in which temporary school crossing controls are in use.

Trainer Discussion
The board agreed to proceed experimentally without an athletic trainer for the 1962-63 basketball and wrestling teams, at the request of the athletic director and head basketball and wrestling coaches. The plan will be evaluated at the close of the seasons.

Elimination of the football trainer this fall was reviewed, and several board members said they would like to see the post filled next fall.

Theory behind previous establishment of the job was that a coach could devote full thought to completion of a game in the knowledge that a trainer was available to care for an injured player. Dr. Kaiser said there is some value in a boy being trained by the coaching staff and aided directly by the staff when injured.

Relating that he had heard comments from the public that the board should permit the athletic department to make more of its decisions, Spengler said he felt elimination of trainers should be tried this winter but then studied next spring. Board Member Monroe Worthen noted that the board has overall responsibility for supervision and safety of students.

86 Players Treated
A report by Athletics Director Richard Yates related that coaches have exerted every effort to prevent injuries.

Football players authorized to obtain treatment by physicians this year totaled 25 out of 104 at GCIS, four out of 98 at Coldwater junior high and seven out of 52 at Prather junior high. Albert Lewis, GCIS football coach, held the position of trainer until this year. Previously, the post was held by Glen Rice. Spengler said there had been a trend elsewhere toward creating, rather than eliminating, trainer jobs.

MORE ABOUT 12 GC Students Among Hurt

accident with a truck at the same place.

Police said the truck, driven by William Dilworth, 30, of St. Louis, stopped at the accident scene and was struck in the rear by the bus which carried 35 students bound for Prather junior high school.

The road was obscured by the fog, according to police.

Five of the students on the bus sustained minor injuries. Merle Nipper, 13, Robert White, 15, his brother, Robert White, 13, and Norman Parrill, 14, reported to school after being treated at the hospital. The high student, Sandra Woodson, 13, suffered a mild arm injury. All live on Rural Route One.

The bus driver, Ervin Segar, 54, of Edwardsville, was injured. The truck and bus were traveling east when the collision occurred.

5 Hurt, One Critically

Fog also was blamed for a one-automobile crash near Mitchell about 11:45 p.m. Tuesday when three Granite City young persons were hurt. In critical condition at St. Elizabeth's hospital is 13-year-old Jeanette Mehl, of 1223 Twenty-Second street, an eighth grader at Central junior high school.

Also injured were Charles Ray, 17, of 2504 Denver street, a junior at Granite City high school and son of Mr. and Mrs. Fred Ray; and the driver of the auto, William McGee, Jr., whose parents live at 4940 Lakeview drive.

The girl, daughter of Mrs. Margaret Mehl, of the 22nd street address and John Mehl, of Madison, underwent emergency surgery and is reported to be improving. She suffered severe cuts to her head and an injury to her left leg.

McGee, a maintenance worker at radio station Koot, near Mitchell, told the Press-Record he was driving north on Route 3 when the car left the pavement on a curve about three miles north of Mitchell and rolled over on its top. He said the fog was dense.

McGee stayed with the injured girl while Ray went to a nearby farm house to notify police and summon assistance. All three were hospitalized.

Ray suffered an injury to his right elbow and severe shock; while McGee is being treated for a deep cut to his forehead.

Bicyclist Hurt

Robert Coleman, 13, of 2812 Pershing blvd., sustained an injury to his left leg about 3:35 p.m. Wednesday when he was knocked from his bicycle in an accident at Monroe and East 23rd street. He is the son of Mr. and Mrs. Robert H. Coleman.

The boy was x-rayed at St. Elizabeth's hospital and released. According to police, he stated something blew in his eye as he was riding north on Monroe, causing him to swerve into the path of a southbound auto driven by Joe J. Wells Jr. of Edwardsville.

Hurt In Bridge Mishap

George W. Holford, 39, Cahokia, suffered face, chest and right arm injuries at 2:10 a.m. Tuesday when his westbound auto collided with a railing and a blinking light atop the eastern approach of the McKinley bridge.

The car was towed to a garage and Holford was booked for careless driving and destruction of property, being freed from his driver's license to report to a hearing Saturday. He said another car forced him to descend the Venice approach.

MORE ABOUT Elements Of Uncertainty

(Continued From Page 1.)

saying that the sweeping powers vested in an incorporated municipality would not be fully utilized.

Would Not Seek Maximum Services and restrictions would be fewer than the law provides, and spending would be held to only a fraction of the legal level, they assure Pontoon Beach families.

Since though these beliefs may be, it is a fact that the scope of village operations would be up to the officials who are elected. And the officials might or might not be the same people as those who conceived the idea of creating the village.

Hicks is confident that not only would the elected officials be willing to serve without salary or for \$1 a year, but also or all of the appointed village employees.

No Pay For Police Several have indicated they would be willing to serve without pay as law enforcement officers," Hicks reports.

"They are people with a law enforcement background; one of the fellows has been in an FBI school. They would be willing to be on call, and also would be available for patrol purposes if necessary."

Partisan Crowd Attends Final Zoning Hearing

A highly partisan crowd of about 100 attended the last of the county zoning hearings Tuesday afternoon at South Roxana, where area farmers claimed the proposed zoning would be an infringement on their rights.

Charles Lucas, himself a farmer, suggested that the entire section of agricultural land be zoned for farming. He said the section would limit the freedom of individual farmer and hamper the development of agriculture.

Other farmers present expressed a fear that once such an ordinance is passed they will no longer have a right to develop their own property the way they wish.

A woman who said her husband farms 300 acres near Collinsville asked whether he would be permitted to build a new barn on the land, and the zoning of the farm should be zoned residential.

Land Use Considered

Tom Butler, zoning commission chairman, said actual zoning would depend to a great extent on the present use of the land. Land now used for agriculture would be zoned that way, he said.

Members of the audience cheered Chouteau township supervisor Joseph Troelckel when he expressed his opposition to the zoning proposal. "It would take away our individual rights," Troelckel said.

When asked how a specific section of agricultural land would be zoned, Troelckel said he could not answer the question. "This is not a zoning hearing, asking these other gentlemen," he said, "and they can't tell me."

Favors Ordinance

William Thoele, mayor of the Chain-of-Rocks Motel on By-Pass 66-40 west of Mitchell, said he believes the zoning is needed to protect property values. He said he felt changes are needed in the proposed ordinance pertaining to motels, however.

Also speaking in favor of the zoning regulation was John, local realtor, who said he plans to build 20 to 30 new homes in the \$25,000 class along U. S. By-Pass 66-40. John said he would not go ahead with his plans until the zoning measure is acted upon.

Final Hearing

Butler said many valuable suggestions were made at the hearings, which were held in all parts of the county. Tuesday's was the last of 24 such hearings. The zoning commission now has the responsibility to draw up a final zoning ordinance and present it to the county board of supervisors for action.

The zoning ordinance would provide for five major classifications of land use in the unincorporated areas of Madison county: residential, agriculture, residential, business or commercial, and manufacturing. The manufacturing classification would provide specifically for light, medium or heavy industry.

Butler said a great deal of work remains before a final zoning proposal is prepared and the board of supervisors likely will not receive the ordinance for action until after the first of the year.

figure by the force of public opinion.

The president and trustees would spend staggered four-year terms giving Pontoon Beach residents a voice in village decisions through an election every two years.

Spending Up To People

He concedes that village supervisors would be expected to rise, but emphasizes that this would be with the knowledge and approval of the voters. They would be willing to pay for the services they desire; other services could be omitted, he says.

As to the extensive regulatory and licensing powers of a village, he says the people could express their wishes through their ballots and directly to the officials during elections, he notes.

Principal concern with the level of spending if a village is created would be the lack of much commercial or industrial property within the half-square-mile area where incorporation is proposed.

With assessed valuation totaling \$1,000,000, the village would pay a tax rate of 10 cents per \$100 to operate the village. A 5-cent village rate would be added to the present \$3.75 rate, would bring in only \$2000 a year in property tax revenue.

"There is a prospect of future assessment growth within the designated area, and the possibility of expanding the village boundaries. These and other uncertainties at the present time,"

SOCIETY Homemakers Unit Displays Items

The Kadison County Homemakers Extension Association members were participants Wednesday in a "Yuletide Spectacular" at the Clayton, Mo., Community Center.

Mrs. Jeannette Elliott, the "Mad Hatter" was hostess at the affair and five counties from St. Louis and two from Illinois were represented.

On display by the Madison county units were articles made by Extension members from a lesson "Christmas by the Yard."

The display received honorable mention and was awarded a yellow ribbon and Council members who assisted with the exhibit were presented with gift baskets by Mrs. Elliott.

County members attending were Mrs. M. J. Hill, special activities director and chairman of the exhibit; Mrs. Jeanne Kriege, of Edwardsville, immediate past president; Mrs. E. L. Lewis, of East Alton, second president; East Alton, Mrs. Harris Bethalto, and Mrs. R. Thomas Sulp, Alton, recreation and family life.

Arbitration Ruling On Tractor Rejected

Teamsters' Local 525 is being notified by letter that the Granite City school board will continue to recognize Building Employers' Local 98, AFL-CIO, as the exclusive bargaining agent for a trade union operating and maintaining equipment on the high school grounds.

The notice follows a decision reached by the school board Tuesday night to reject an arbitration ruling and the rejection of the school board's decision.

The board took the position that a ruling by the single arbitrator, Donald E. O'Neil, Jr., announced this fall, failed to permit rebuttal briefs and would be null and void.

The board also rejected the grievance on the tractor. The ruling defines school sites and grounds as the exclusive jurisdiction of Local 525, the discussion of the tractor was not included in the arbitration agreement.

It claims all grass-cutting work on school grounds is the exclusive jurisdiction of Local 525, making arbitration binding, is not legal and has been left in the hands of the arbitrator.

The board's decision was made because it was in the original agreement years ago, it was noted. School Attorney Maurice Daley urged that it be omitted from future agreements, saying it could create a false impression among employee groups.

Sup. Harold M. Kaiser also is issuing instructions for students in Local 98 to proceed with use of a small mower used when debris, leaves and tree limbs are cut from the grounds. He has not been used in recent weeks.

Game Times Changed

Midget division games in the YMCA Soccer league have been scheduled at an earlier hour Saturday afternoon.

Ruben Mendoza said this morning. "The insurance will play the Twilight Optimists at 10 a.m., and Trust Bank will play Lincoln Field at 11 a.m. The games were originally scheduled to be played Saturday afternoon."

Last Of Contracts For 2 Additions; \$223,689 Total

Total cost of construction contracts for additions to the Mitchell and Nantowick grade school rose to \$223,689 Tuesday night when the Granite City school board awarded a contract to the E. J. Maag Co., East St. Louis, for Mitchell addition plumbing work and the installation of a mechanical sewage disposal plant.

The \$36,855 bid included \$33,901 for basic work and \$484 for installation of a water cooler. Markely Plumbing & Heating Co., Madison, submitted a \$35,661 base bid with \$872 for the cooler for a total of \$36,533.

The vote favoring Maag was 6-1, with President Robert Spengler opposed.

Architects Henry Gabriel and Sylvester Dulgoreff and their mechanical engineer, Willard G. Brown, reviewed the construction plans with the board. Signing of contracts with Maag and the successful bidders selected last week was authorized Tuesday night.

Legislature Expected To Set Aid Figure Today

Both houses in the state legislature refused yesterday to approve bills to transfer earmarked funds to the public aid program.

In a message to the special session Monday, Gov. Otto Kerns appealed to the general assembly for additional appropriation of \$131,000,000 to finance the program through June. Committees of the two houses expected to meet today to settle on a figure.

Three bills to transfer \$15,000,000 from the motor fuel tax fund, \$14,000,000 from the soil conservation fund and \$14,000,000 from the state cigarette fund to the general revenue for public aid were defeated 29-23 by the Senate. Thirty-nine votes or two-thirds majority was needed for passage. All no votes were Democratic and all yes votes Democratic.

On Tuesday the House and Senate slashed the governor's request for authority to spend \$131,000,000 more on public aid through June. The Senate cut the figure back to \$27,790,000 and the House cut it back to \$20,000,000.

SOCIETY

Sorority Meets At Judd Home

The November meeting of Epsilon Eta Chapter of Sigma Alpha sorority took place last night in the home of Miss Virginia Judd, 1711 Garfield avenue.

The meeting was called to order by the president, Mrs. Janice Bille, and the usual communications were read and reports were given. Plans were made for a key repair party for the November social. The boys are to be sent later to the Catholic Charities and the Protestant Welfare Association for distribution at Christmas.

Mrs. Lucille Tritschler reported on the recent state convention which she attended in Bloomington, and a resume of the board meeting last weekend in Springfield was given by Miss Janice Steinhausen and Miss Judd.

The educational program for the evening consisted of a talk by Oliver Jacobsen, president, on the work of the Protestant Welfare. He was presented with a gift from the group and refreshments were served to eight.

Men's Council Of UPC Elects

The Men's Council of First United Presbyterian Church, 22nd street and Delmar avenue, held a dinner meeting in the dining room of the church last night.

The meal was served by Circle Five of the United Presbyterian Women's Association to 51 and the meeting following was in charge of Al Busch, acting president, who stated the objective of the group for the coming year and asked for the report of the nominating committee. The following slate was elected by acclamation: Al Busch, president; Ben Livingston, vice-president; A. J. Mueller, secretary; and Harry Bretz, program chairman. Richard West served as chairman of the nominating committee.

The program for the evening consisted of a panel discussion presented by Harry Bretz, with Rev. David B. Maxton serving as moderator. These taking part and their topics, all pertaining to the Men's Council, included the Chicago meeting of Presbyterian Men by Al Busch; the Presbyterian Men's Council of this area of the Alton Presbytery by Richard West; and the church officers and their duties by A. J. Mueller, Jr.

After the program, the meeting closed with prayer by Rev. Maxton.

Open House Held At Maryville Grade School

Maryville grade school held open house and a regular PTA meeting at the school Tuesday evening, with 650 persons attending.

Theme for the event was "Visit Projects K-6" relating to kindergarten through the sixth grade. A 45-minute visitation period was conducted. Immediately following this was a PTA business meeting conducted by Richard Barnett, president. He opened the meeting with the pledge to the flag and the PTA prayer, given in union by all the members. Reports were given by Ralph Peters and Glenn Lilly.

Mrs. Robert Stone reported on fund-raising project, and a final decision on whether the PTA will participate is to be made at the next regular meeting.

Barnett asked that the PTA furnish funds that Principal Owen Humphrey can be bonded as an official traffic officer, especially during bad weather. The action was approved by the members.

Announcement was made that Mrs. Florence Bennett, field supervisor of school lunches of the state office of public information, will be present at the meeting on Feb. 19 to explain the school lunch program and to answer any questions from the parents.

Guest speaker for the meeting was Sam Lucido, who showed a film entitled "Bowling for Everyone." After the film, Lucido spoke on the bowling program in the Big Top lanes have prepared for all ages.

Principal Humphrey asked all the members to view an educational display in the hall of the school, prepared by Mrs. Della Aulabaugh, a third grade teacher at the school. She had an arrangement of old books and documents dating back to 1881 on bookkeeping, arithmetic, primer readers, grammar and other subjects.

A "fall festival" will be held at 4:30 until 10 p.m. Food, games and white elephant items will be featured.

Following the business meeting, the PTA members retired to the cafeteria for a social hour and refreshments.

Thanksgiving Meeting of Madison Club

A monthly meeting of the Madison Junior Service club was held Tuesday evening at the Madison memorial recreation center with a Thanksgiving theme prevailing.

Mrs. Julia Voloski, president, presided over the meeting, and charity purchases and cases were reported. Mrs. Bessie Bosworth read correspondence with various letters discussed.

A letter was read from Mayor Stephen Maras inviting the club members to hold their monthly meetings at the center, with the second Tuesday of each month being reserved for use of the club.

The club Christmas party is to be held at the Colonial Super club on Dec. 11. Reservations are being made by members and their guests for that evening, at which time turkey, chicken or Swiss steak dinners will be served.

Announcement was made of the annual Federation dinner dance which is to be held Feb. 23.

A scholarship fund is being discussed, with a committee consisting of Mrs. Lillian Delpe, Mrs. Janet Lentz and Mrs. Hilda Gravelle securing information and working toward this in the future.

The hostesses, Mrs. Marilyn Schaffner, Mrs. Lentz, Mrs. Julie Pearce, Mrs. Kathryn Jones, Mrs. Helen Franch, Mrs. DeLoyle Rhoads and Mrs. Leona Williams, served refreshments to Mrs. Helen Daley, Mrs. Loretta Hylle, Mrs. Marcella Obravovich, Mrs. Gravelle, Mrs. Doris Patterson, Mrs. Delpe, Mrs. Cenna Vaughn, Mrs. Eileen Huelskamp, Mrs. Ruth Fanning, Mrs. Adrian Warchol, Mrs. Maxine Skinner, Mrs. Evelyn Blattner, Mrs. Virginia Gadwell, Mrs. Voloski, Miss Marian Chizek and guests.

7:30 to 12:30, and the executive session from 10:25 to 12:25.

Board President Robert Spengler called the executive session and ruled that a Press-Record representative could not remain in the board room. He agreed to open the meeting again when the board was ready to consider other topics than the salary issue.

Three teachers and three other citizens were present when the public portion of the meeting was halted.

Dr. Kaiser said the \$270,000 offer compares with a previous board offer estimated at \$170,000 to \$180,000.

State Aid Higher

The board described the last offer of the spring as representing virtually all of the available funds. Since then, state aid has developed enrollment increase has exceeded, boosting yearly state aid \$66,000. In addition, several figures affecting school finances, which could only be estimates last spring, have become known in their exact amounts, the superintendent told the Press-Record.

The last board offer amounted to a monthly increase of \$11 in the first year and an additional \$11 in the second year. A still earlier offer totaled \$125,000.

The teachers' federation initially sought contract changes which included monthly pay boosts of \$88 throughout the six-year, 12-year pay schedule. This was later pared to \$66.

The schedule provides for automatic increases each year of the first 11 years of experience, plus raises as teachers acquire additional university degrees and credits.

Her Birthday Anniversary

Pvt. Hicks was graduated in June 1960 from Granite City high school and had worked at the Madison plant of Laclede Steel Co. before enlisting. His wife had attended Madison high school, it was learned. Her 22nd birthday is today.

In addition to his mother, Pvt. Hicks is survived by two brothers, William D. Hicks and Kenneth, a student at the University of Illinois. His grandparents, Mr. and Mrs. William Wiedowier, live at St. Vincent Ark.

The family is expecting a telegram today from his commanding officer at Fort Meade, and it was indicated that funeral services will be conducted here.

Dairy Drivers, Company Officials Meet Today

Company officials and representatives for driver-salesmen at Dressel-Young Dairy Co. will meet in the offices of company President John Dressel this afternoon to continue negotiations for a new contract.

About 30 drivers met Tuesday evening to consider a company offer made last week. The drivers are members of Teamsters Local 525.

Details of the company contract offer and the outcome of Tuesday's meeting of drivers were not revealed. Dressel said Arthur Crouch, assistant business agent for Local 525, requested today's meeting.

He added that the company and union hope to have a new contract ratified and signed by December. Negotiations have been underway since September.

Three Are Sentenced; Other Cases Continued

Three Quad-Cityans were sentenced to prison this week in Madison county circuit court.

A surprise birthday party was held Sunday afternoon honoring Mrs. Nellie M. Jones of Madison and Mrs. Grace Howell and William Morford of Granite City.

The birthday observance was held by the Gospel Chapel General Baptist Church in the home of Mrs. Rose Hooper, 1105 Twenty-first street.

A not luck dinner was enjoyed by Mr. and Mrs. Elvie Harris, Rev. and Mrs. George Bland and daughter, Judy, Mrs. Evelyn Kellon and son, George Ray, Mr. and Mrs. William Morford, Mrs. Martha Taylor, Mr. and Mrs. J. C. Fox and son, James, Mr. and Mrs. Art Howell and son, Allen Campbell, Mr. and Mrs. Raymond Ledbetter and daughters, Kathy and Susan, Mrs. Edna Stairs and Mr. and Mrs. John Pierce.

ENTERTAINERS CLUB

Mrs. Hazel Swiger was hostess to the Po-Ke-No club in her home at Collinsville Tuesday. The members arrived at the home during the morning hours, enjoyed a meal and then resumed playing games in the afternoon.

Winner for the day was Mrs. Betty Allen. Others playing were Mrs. Pat Gerkin, Mrs. Maxine Butler, Mrs. Nettie Gonsky, Mrs. Veronica Kula, Mrs. Marie Stavar, Mrs. Hazel Hinson and the hostess.

75TH BIRTHDAY

Mrs. Mary Rardin was honored with a birthday observance held in her home, 2829 Second street, this week, marking her 75th birthday.

A family dinner was held in the home, being attended by the honoree's children, grandchildren and other relatives. Many telephone calls from out-of-town friends and relatives were received, as well as cards and gifts from local residents.

VISITS MRS. JACKSON

Mr. and Mrs. Lester Newton, 4101 Maryville road, and Mr. and Mrs. Louman Reynolds, 1731 Third street, visited at the home of Mrs. Martha Jackson, 2829 Second street, Sunday afternoon with Mrs. Martha Jackson. Mrs. Jackson is a former Madison school teacher and resident, and has been at the nursing home in Waterloo for several years.

ROYAL JUNIORS OF THE FIRST BAPTIST CHURCH met Tuesday for a monthly meeting. The group discussed a Christmas party and gift exchange to be held.

A review of books of the Bible club was discussed by Gwendolyn Wright, Beverly Brown, Mary Lane Weimer, Rebecca Dillman and the leader, Mrs. Ann Redman.

MRS. EVANOFF TO HEAD BETA GAMMA

Mrs. Ellen Evanoff was hostess to the Beta Gamma club in her home, 2610 Missouri avenue, Tuesday evening.

Mrs. Wilma Pulaski, president, presided over the business meeting, at which time the state officers for the coming year were presented, with Mrs. Evanoff as president; Mrs. Jeanne vice-president; Mrs. Betty Tester, secretary; Mrs. Pulaski, treasurer; Mrs. Ruth Weeks, keeper of the books; and Mrs. Lois Hoffman, sergeant-at-arms.

At the close of the business period, a social hour was held, with games played and prizes awarded to Mrs. Edna Hensley, Mrs. Jackie Frizzell, Mrs. Mary Ann Gary and Mrs. Pulaski.

RETURN FROM TENNESSEE

Mr. and Mrs. Jesse E. Foster returned to their home Sunday evening after spending a few days visiting their son and daughter-in-law, Mr. and Mrs. Jesse E. Foster Jr., of Memphis, Tenn.

The parents attended a farewell party held in honor of Mr. and Mrs. Foster Jr., who are moving to Pine Bluff, Ark. Foster is to be the manager of the Pine Bluff Country club. He has been employed in recent months as manager of an athletic club in Memphis.

HOME FROM MICHIGAN

Mrs. Dorothy Lindsey, 1504 Third street, returned to her home Tuesday evening after spending several days at the home of her son and daughter-in-law, Mr. and Mrs. Charles "Bud" Mueller and children, Darrell and Debbie, in Mount Pleasant, Mich.

The birthdays of Mrs. Mueller and her son were observed with a dinner celebration while Mrs. Lindsey was a guest. An early Thanksgiving dinner party also was held in honor of Mrs. Lindsey's visit.

12 Charged With Speeding By Granite City Police

Twelve motorists were charged with speeding in Granite City Wednesday. David H. Krull, 18, of 2917 Denver street, posted 111 mph. Eleven others posted their driver's licenses as bail. Most were scheduled to appear before Police Magistrate Gasparovic today.

They were Thomas L. Gully, 30, of 2107 Waterman avenue; Henry W. Kahn, 19, of 2800 Delmar avenue; Michael R. Petrillo, 18, of 3506 Franklin avenue; Mary L. Laikas, 45, of 1013 East Chain of Rocks road; Cicero J. Hockett, 54, of Edwardsville; Joyce A. Montell, 45, of 2224 Namekoi road; Charles E. Ficker, 28, of 3 Harrison avenue; Linda L. Kelley, 20, of 1234 Fontoon road; John W. Belovitch, 22, of 4536 Highway 162; Ethel M. Robinson, 54, of 3029 Warren avenue; and Lester I. Wallace, 47, of Collinsville.

Youngsters Tour Libraries During Nat'l. Book Week

Hundreds of youngsters this week are touring the local public libraries in observance of "National Children's Book Week."

Displays of children's books have been set up at the Madison and Granite City libraries, but no special activity was planned at the Venice library where construction of a new storage area is under way.

The observance, which also coincides with "American Education Week," will continue through Saturday.

Mrs. Catherine Cook, Madison librarian, said children's books are being featured there; and Mrs. Mary Gene Knufinke, Granite City librarian, said 300 new books have been acquired and are being placed in circulation.

Classes from local schools have been touring the local library and are permitted to select books to be taken either home or back to class. Refreshments are being served to the smaller youngsters.

CHRISTMAS PARTY PLANNED BY CLUB

The executive board of the Granite City Junior Service club met in the home of Mrs. Louis Kovar, 2113 Manley avenue, Monday evening. Mrs. Evelyn Morris, president, presided over the business meeting and appointed Miss Junia Bell as chairman of the Christmas charity project. Mrs. Bernice Fitzpatrick was appointed chairman of the annual Christmas party for the club members. Tentative plans were made to have the party at Kenoll's restaurant in St. Louis in December.

A report was made that shoes have been purchased for several needy children in this area. Mrs. Jean Schaffner and Mrs. Jean Vrenick gave a report on the scholarship meeting they attended on Oct. 16.

Four new petitions were read at the meeting and will be submitted at the next regular club meeting for approval.

A report was given on a birthday party the club gave for a child it sponsors throughout the year.

Members of the board present were: Miss Junia Bell, Miss Thelma Jacobsmeyer, Mrs. M. A. McConnell, Mrs. Burns, Ruth Knecht, Mrs. Bernice Fitzpatrick, and Miss Flora Mae Lensing.

The next club meeting will be on Nov. 19 at the lounge of the Granite City Trust and Savings Bank. It will be a pot luck dinner and will begin at 6:30 p.m.

Mr. and Mrs. Don Habs have chosen the name of Donald Eugene for their son, who was born on Nov. 8 at St. Elizabeth Hospital, East St. Louis. The baby weighed eight pounds, one ounce and is the second child of Mr. and Mrs. Charles Chandler and Mr. and Mrs. Everett Duval, all of Granite City. The Habs, formerly residents of Granite City, now reside at 64 Lucinda drive, Edwardsville.

HOMEMAKERS CONDUCT DISTRICT MEETING

Approximately 25 members and guests attended a Southwestern District meeting of the Madison County Homemakers Extension Association, including the Isabel Hevier, president of Granite City units, Monday afternoon at the 300 room of Big Top Hotel.

Mrs. Emerald Davies, newly-elected chairman, presided at her first meeting.

Following a brief business session, Mrs. Elaine Wendler, home advisor, Mrs. Mary Knecht, assistant advisor, and Max Forbes of the Illinois Power Co. presented films, including "Food Can Be Dangerous" and "Artificial Respiration—Mouth to Mouth Method."

The next district meeting will be held in May, with the exact date and place to be announced later.

PLANNING MEETING FOR CUB PACK 13

Bob Turck, newly-elected clubmaster, conducted a planning session Tuesday night at St. Elizabeth school for Den Mothers and committee members of Cub Pack 13.

Mike Naglich, committee chairman, conducted the business meeting and asked for a report on a bakery sale held at the church Nov. 11. An announcement was made that an award will be given to the boy who has made the most improvement in his grades, at the blue and gold banquet to be held in February.

Mrs. Charlene Urba's group, Den Eight, will present a play at the November pack meeting. A pinewood derby also will be judged at this meeting, on Nov. 27.

Dens Four, Five and Six will prepare and present a play at the December meeting, which also will be a Christmas party for all members of the pack. All the cub scouts will be asked to make or repair a toy and bring it to the meeting. The toys then will be taken to the St. Joseph's Orphanage, Alton, for Christmas presents for the children there.

Tentative plans were made to hold a training session for the leaders at St. Elizabeth school. Final plans are to be announced at a future meeting.

The den mothers were informed that they are being invited to attend the Unish district "pop-wow" to be held in Collinsville on Nov. 17.

Salvage, Smorgasbord, Convention Club Topics

Lawrence Palkes, operator of the Madison Iron and Metal Co. and vice-president of the Madison Rotary club, described metal salvage operations in a talk before the Rotary club at its weekly luncheon meeting yesterday.

William Mehl submitted a preliminary financial report on the club's annual smorgasbord, and Chairman Leo Schermer was complimented on the success of the event. President Alex Schenckhofer reported attending a meeting in Collinsville in which plans were made for the Rotary International convention in St. Louis next June.

Water Line Break Fixed

Repairs were completed yesterday to a small break in an 18-inch water main on the corner of Benton street near Indiana avenue. A spokesman for East St. Louis & Interurban Water Co. said the break occurred at a joint in the line which serves the Belleme Village area.

Accounting Machine Among School District Purchases

An accounting machine with a capacity of 19 totals on each operation and a complete encumbrance procedure was purchased Tuesday night by the Granite City school board on the basis of low bid to specifications.

A "typing sematic" machine will be purchased from the Burroughs Corp. for \$3800, which represents an allowance of about \$1300 to \$1500 for the district's present ten-total accounting machine, largest available when it was purchased for about \$4000 six years ago.

Growth of the school system has increased the amount of accounting work, and payroll deductions contemplated in current negotiations would result in a greater number of tabulations than can be handled by the present machine, the board was told. Other bids were from National Cash Register Co. and Monroe Calculating Machine Co.

The board approved purchase of the Todd Division of Burroughs Corp. of 2500 payroll earnings card, a two-year supply, for \$119; 1000 sheets of payroll journals with one-line carbons, \$132; a payroll card tray and table adequate for the increased size of earnings records, \$102; and 35,000 payroll checks, \$808.

Annual maintenance contract for the new accounting machine will be \$242.

Acting on recommendations based on price, quality and service, the board purchased seven 36-inch gas ranges from the H & R Furniture Co., with five to replace ranges at Central junior high school and two for replacement at Coolidge junior high school. The new ranges cost \$442. Guarantees obtained were a year on parts and two years on service.

Not cost will be \$442. Guarantees obtained were a year on parts and two years on service.

Replacement of an automatic washer "Prather" junior high was awarded to the General Electric Co., St. Louis. The bid makes no trade allowance but includes replacement each with a corresponding new model. The yearly charge will be limited to delivery costs and an annual service fee.

A low bid of \$79 from Barney's Brake & Wheel Alignment was accepted on installing a brake booster in a ton-and-a-half truck which the district uses to haul federal commodities to cafeterias.

Eight water fountain bubblers units were purchased from International & McCarron, Inc., for a total of \$79.

8978 Scoreboard Repairs. A low bid of \$979 from Elite Electric Co. was accepted on mechanical and electrical repair to the wind-tight electric scoreboard at the Granite City school football field.

Under its insurance, the school district will pay only the first \$100. Stronger braces will be provided.

It was decided to seek bids in three categories—a GCHS drinking fountain refrigeration unit, a downspout for the GCHS girls' gymnasium and Coolidge junior high brickwork—which attracted only one bid each.

Bids opened and referred to

the administrative staff for recommendations, unit heaters, encumbrance procedure, tabulators, a clock, science supplies and equipment and audio-visual equipment.

More Band Uniforms

The board approved purchase of 25 additional uniforms which will duplicate those being used by the Granite City high school band. The \$1625 purchase from DeModis Uniform Co., Greenville, Ill., will be made from the band uniform revolving fund, financed partly by the school district and partly from other sources.

Twenty-two band members cannot be fitted with present band uniforms, even though some uniforms are available. Director Louis Meek has informed Supt. Harold M. Kaiser. The problem is that the average student is larger than those of past years.

Forty-eight motion picture projection bulbs, we are bought from the Alpha Distributing Co. at a net cost of \$151.

Seek Driver Training Cars. In acting on bill lists the board noted maintenance costs totaling \$278 for work at the Mathews Chevrolet Co. on a driver training car. Such autos formerly were replaced annually, and it was decided to determine whether the present 1961 dual-control vehicle will be replaced by the agency.

A water line leak in a crawl space beneath Niedringhaus school, currently being repaired, was a factor in a \$127 water bill for that school approved Tuesday night.

Bills relating to an educational conference in Dallas, Tex., attended by Dr. Kaiser, Board President Robert Spengler and Administrative Assistant Victor Anderson, were \$287 for round-trip plane tickets and \$225 for expenses, with 26 cents of the \$225 refunded. The trip covered part of four days.

The bills authorized totaled \$27,035 in the educational fund and \$61,621 in the bond and interest fund, including a \$44,518 payment Tuesday to the American National Bank and Trust Co., Chicago.

Payments based on bid actions, prior board approval or established board policies, were marked on the bill list, enabling board members to determine which bills are for new purchases.

Cites \$6000 Savings. Dr. Kaiser listed \$6000 savings under the new school treasury program, including a reduction of \$4000 in the payment to the former township school treasurer, Treasurer Monroe Worthen, a school board member, serves without salary.

The other \$2000 savings results from economies in preparation of an annual school district expenditure report, to be published later this month as an official notice, Dr. Kaiser said. Most of the work was handled by the school business office.

Oil Stove Causes Damage

An oil cook stove in the kitchen at the home of Joseph Blair caused a fire which resulted in \$25 damage to the wall behind it about 11:30 a.m. Wednesday. Firemen from in West Granite station answered the alarm at the house on the corner of Niedringhaus avenue and Cedar street.

G. D. Donovan Enters Jewish Hospital This Week

George D. Donovan, manager of Carp's Department store here, entered Jewish Hospital, St. Louis, on Monday for treatment of a back ailment. He is in traction and has had x-rays. Donovan, who lives at 2836 State street, is expected to be in the hospital another week.

Accident On Nameoki Road

Autos driven by Edna D. Rivendish, 41, of 2316 East Twenty-Fourth street, and Frank J. Onesty, 24, of 5212 Nameoki road, were involved in a collision about 6:50 p.m. Tuesday on Nameoki road near Wilson avenue. Both were northbound. Police said the woman was attempting to turn left into a driveway.

Infant 18 Months Old Takes Baby Aspirin

Gary Sutton, 18-month-old son of Mr. and Mrs. Raymond Sutton of 621 Margaret avenue, was admitted to St. Elizabeth Hospital Tuesday evening after taking about a half-bottle of baby aspirin.

McLane To Retire After 17 Years As Roxana Grid Coach

Earl McLane, dean of Midwestern Conference football coaches, announced his retirement this week after leading the Roxana Shells to five outright conference championships and a title in 17 years as head football coach.

He will continue as athletic director at Roxana. No successor has yet been named by the Roxana board of education.

McLane's teams won MWC football championships in 1952, 1953, 1954, 1956 and 1959, and shared the title with Dupu two years ago.

The plainspoken coach, whose trademarks were the "sidesaddle" variation of the short punt offense, a baseball cap and a checked coat, also coached track and field at Roxana high when he first joined the school in 1935. He was a member of the department staff in 1946 after discharge from the Navy.

A graduate of Southeast Missouri State at Cape Girardeau, where he played football, McLane was MIAA and AAU district champion while in college.

VHS Faces Spoiler Ss. Peter & Paul In Basket Season Opener Tomorrow

"If we can just get away to an even break in our first four games, say winning two out of four or maybe even three, I think these kids will do okay by themselves this year," said Coach Bill Ohlendorf today as his Red Devils wound up preparations for the season opener.

Venice will host Ss. Peter & Paul of Waterloo, a school which has seen to it that the Devils have gotten off on the wrong foot for two straight years.

Last year, when Venice lost six of its first seven games, the Waterloo school started the streak with an 86-55 victory at home. Two years ago, when Venice won only once in 22 games, Ss. Peter & Paul was a 76-37 opening game winner.

A good start for the boys will mean a lot," commented Ohlendorf, a VHS product in his second year as head coach. "Most of them don't know what it means to play on a winning team, and getting a couple of wins under our belts could do much to create a good mental attitude."

Devils Are Smaller

In Friday's 8 p.m. varsity game at the VHS gym, the Devils again will give away the height advantage, but Ohlendorf expects a better performance from his starters against Ss. Peter & Paul than was turned in by little Augusta, Mo., last Friday.

Ss. Peter & Paul ranked Augusta 84-21 in the opener for both teams. Ohlendorf was in the stands doing some early scouting. "They'll be bigger

than we are and use the fast break, but I think we can slow them down and will definitely do better on the boards than Augusta did," he said.

Waterloo was named to its first win by 6-2 Ken Lutz with 22 points, while 6-4 Paul Eschmann added 18 and Tim Harlan 16.

Opening Lineup

Venice will court a starting lineup averaging 6-0, with junior center Paul Sittion the squad's tallest member at 6-2. Seniors Jim Harman (5-11) and Pete Fields (5-8) are the starting guards, while Ohlendorf will open with 6-0 Jerry Cleo and 6-1 Ken McMullen at the forwards. Cleo is a senior, McMullen a junior.

A junior varsity game will be played between the two schools at 6:30.

Optimists Honoring Teams During 'Youth Appreciation Week'

Members of six boys' athletic teams sponsored by the Twilight Optimist club and their fathers will be guests of the club Monday night at a buffet dinner in connection with "Youth Appreciation Week."

GC Steel Capital Expenditures Down

Most of Granite City Steel Company's current expansion program is completed, resulting in a reduction of capital expenditures for 1962, it was announced today by Nicholas P. Veeder, chairman of the board and president of the steel firm.

This year's capital outlay is expected to be between \$9,000,000 and \$10,000,000, compared to \$23,750,000 last year.

This year's figure is carrying over in its cost schedule of rolled and hot-rolled products.

Veeder added that sales of the last quarter are expected to be lower than a year ago. Net income this year probably will be less than \$9,011,000, or \$2.08 a common share earned last year.

Net income for the first three quarters this year declined to \$6,302,449, or \$1.46 a share. In the same period a year ago, the earnings were \$6,486,930 or \$1.50 a share.

Four Hubsops Taken

Thomas Hundley, 2519 Lynch avenue, told police Tuesday that thieves stole four hubsops from his "Auto while it was parked at his home and also broke the windshield.

Eagles Open 17th Annual Canned Goods Campaign

Giving to less fortunate persons "from the heart" and not due to any obligatory feeling is important, especially with the approach of the Christmas season, Rev. Paul Surbey, pastor of St. John United Church of Christ, told a capacity crowd gathered last night at the Eagles Lodge here.

The occasion was a kickoff dinner for the Lodge 1126's 17th annual Christmas canned goods drive, which will continue until the week before Christmas, with proceeds to be donated to the Salvation Army for Christmas food baskets.

Guests at the kickoff banquet, served by the Eagles Auxiliary, included Eagles state President William McCauley of East St. Louis; Salvation Army "Tree of Lights" chairman Carl Graham; Capt. Mildred Walker of the Salvation Army post here; Paul Surbey, state president; Jesse Brown, state president; Steinman, past state president.

Wortham, Koelker, Haven In Sanford Starting Lineup

Three players from the Quad-Cities will be in the starting lineup tomorrow night when Sanford Brown Business College opens its basketball season against Hannibal LaGrange College at the Concordia Seminary high school in St. Louis.

Carl Wortham, the Small College district's most valuable player last year and a product of Granite City high school, will start at center for John Campbell's Indians. Wortham is 6-4.

John Koelker, a Venice high school graduate and Sanford regular last year, will start at forward, and Granite City's Bill Haven at one guard position.

Other starters for the 8:20 p. m. game are Gene Spengler of Liberty, Ill., and 6-7 Rich Schellhafe of Riverview Gardens. Last year, LaGrange topped Sanford Brown by 30 points.

Sanford Brown claims the title of being the smallest college in the state to play a full schedule of varsity basketball. Coach Campbell said school enrollment is 120, and he got 20 of those out for basketball," he added.

Auto Forced Over

An auto driven by Helen M. Belmer, 25, of 4127 Alton road, struck the lights of the west end traffic divider on McKinley Bridge about 7:25 a.m. today. She told police another auto forced her vehicle over. The front of her west-bound auto was heavily damaged.

Wheel Stolen

While Nick Nelson, 1436 State street, was unloading the trunk of his auto as it was parked in his rear alley shortly after noon Tuesday, a thief stole his spare tire and wheel. Nelson told police he was carrying articles into the house at the time.

Special Dispensation For Catholics Here

Madison county Catholics will be able to eat meat the day following Thanksgiving this year, according to an announcement from Monsignor Jesse L. Gattson of the Springfield diocese.

The special dispensation by Bishop William O'Connor applies on Friday, Nov. 23, to all Catholics in the diocese, which includes Madison county. No announcements of dispensations

United Fund Drive Progressing Slowly —95.7% Of Goal

The Tri-Cities Area United Fund campaign is inching gradually toward its \$299,231 goal. The total as of noon today was \$286,298 or 95.7%. That is an increase of \$996 since Monday.

Reports are being received every few minutes at the United Fund offices. Most are small individual reports, however. None of the new pledges or contributions have been sufficiently large enough in any one category to put any more of the six task forces and their 27 fiftieths over the top.

So far only two task forces and seven fiftieths have made their quotas. Several fiftieths are over the 95% mark, however, and may meet with success in a matter of a few days.

The most notable increase this week was by the Granite City Army Depot employees. Their fiftieth is headed by Major William Lyman. The depot accepted a quota of \$200, jumping its percentage of quota to 91.9%. The latest figure from the Depot is \$458 up 6.8% since the last report was made.

John McBride and E. A. Kandel, general chairman and assistant general chairman of the campaign, plan to meet with the six task force commanders to review any remaining potential in an effort to put the drive over the top.

A duplicate of the pledge card appears on page 32 of today's issue for individuals caring to aid in reaching the community's goal.

GC Steel To Fill Order For Phase Of Foreign Aid

An order for \$31,639 worth of iron and steel sheets has been placed with Granite City Steel Co. for use overseas as part of the U. S. foreign aid program, the Press-Record learned today from the office of Cong. Melvin Price in Washington.

An announcement by the Agency for International Development, known as AID, related that the local plant will produce the order under a contract awarded to a New York exporter by two firms in Pakistan. The purchases are being financed under the U. S. economic assistance program.

The AID program provides for American suppliers to have an opportunity to receive contracts from the foreign countries, thus keeping about two-thirds of AID dollars in the U. S. economy, Cong. Price noted.

Such shipments have a distinctive emblem in color, identifying them to the people of the assisted nations as products of the U. S. AID program.

SOCIETY

First Baptist WMS Meets At Church

The Woman's Missionary Society of First Baptist Church met Tuesday at the church for a study of the missionary book "New Frontiers in an Old World" taught by Mrs. Rosalie Jones of Calvary Baptist Church. An Oriental theme was used

in the decorations and the appointments of the tables where luncheon was served by Mrs. Marie Parks, Mrs. Helen Douglas and Mrs. Dolores Carson.

In connection with the meeting a film entitled "Evangelism in East Asia" was shown by Rev. W. J. Richardson, Association Missionary.

Twenty members were present and three guests. Rev. George Sagen and Rev. Mrs. W. J. Richardson.

Eagles Auxiliary To Start Drive

Eagles Auxiliary 1126 met Tuesday evening with Mrs. Douglas Batson, president, in charge.

Communications received from the Grand Aerie concerned plans for a fund-raising program to build the building of the 11-35 Girls Ranch in Texas and an Eagle House in Ecuador. Locally, a contribution was sent to the United Fund.

Appreciation notes from the patients at the Edwardsville Sanatorium and patients at Scott Air Force Base Hospital were received by the Eagles. The kitchen band for entertainment there.

Mrs. Juanita Blevins, captain of the escort team, reported on the meeting held recently in Decatur where a class of 14 candidates was initiated.

The Auxiliary welcomed back Mrs. Rinda Brown, who with her husband, Jesse Brown, has been residing in Gary, Ind., and is resettling here. Mrs. Brown is a past Auxiliary president and her husband is a past state president of the Eagles.

Mrs. Flo Hillis and Mrs. Mae Amisch will serve as kitchen chairmen for the annual kick-off dinner of the Eagles canned goods drive for the Salvation Army.

After the meeting adjourned refreshments were served by Mrs. Batson and a social time followed. Prizes were awarded to Mrs. Opha McMahon and Mrs. Frances Steinman. The next Auxiliary meeting will be Nov. 27.

ENGAGED, Miss Judith Cochran, a daughter of Mrs. Beulah Cochran, 1413a Twenty-first street, and Floyd Cochran of Alton, whose betrothal to Pfc. David Rozell, son of Mr. and Mrs. Virgil Rozell, 721 Twenty-seventh place, is announced. The prospective bridegroom is stationed at Camp Lejeune, N. C., with the U. S. Marine Corps and wedding plans are indefinite.

ENTERTAINS SISTER

Mr. and Mrs. Jesse Schaefer, 2245 Lynch avenue, entertained in their home for a brief time the former's brother-in-law and sister, Mr. and Mrs. Robert Jordan, who have been in Germany for the past three years but are now enroute to South Dakota for another assignment by the U. S. Army.

Communism Is Topic of St. Mark's Parents

The November meeting of St. Mark's Parents and Friends Association held Tuesday evening was opened with a film on Communism, "The Ultimate Weapon."

Guest speakers for the evening were Dr. and Mrs. William Drake of St. John's Hospital. They also presented books on Communism.

Following the film, refreshments were served by the hostesses Mrs. Pat Fields, Miss Bess Byrnes, Mrs. Nadine Meehan, Mrs. Hattie Mulnik and Mrs. Dorothy Koelker, to approximately 35 members and the guests.

A business session was conducted by the president, Mrs. Robert Mueller, and reports were given by Mrs. Mary Dixon and Mrs. Margaret Lee.

Plans were discussed for the PFA Christmas party to be held at the December meeting. A turkey dinner will be served at a cost of \$2 to each member, and reservations should be made with Mrs. Gloria Kovalski or Mrs. Ruth Williams by Dec. 5. A \$1 gift exchange also will be held.

Plans were discussed for taking the school children caroling on Dec. 23. It was announced that Nov. 18 will be PFA Communion Sunday.

The award for the most mothers present went to grades three and four.

NAVY MOTHERS ATTEND BELLEVILLE MEETING

Members of Quad-City Navy Mothers 850 attended a meeting and banquet of Navy Mothers 87 at the Dutch Girl restaurant in Belleville Tuesday evening.

The principal address was given by Mrs. Ruth McLeod, state commander and organizer, who discussed the by-laws and gave the highlights of the recent national convention. Another speaker was Mrs. Mae Willis, a past state commander.

The local women present were Commander Nellie Dix, Mrs. Norma Darnell, Mrs. Edith McAllister, Mrs. Hazel Jones, Mrs. Dora Rabb and Mrs. Pearl Griffin. A number of other guests were from Ship Aboy 601, of East St. Louis.

Among the prize winners was Mrs. Darnell. Approximately 30 persons attended the meeting and dinner.

ATTEND WEDDING IN EAST

Mr. and Mrs. Lefty Ebrech and sons, Bonnie and Gary, 2620 East 27th street, accompanied by Mrs. Ebrech's mother, Mrs. William E. Brown of Irving, Ill., have returned from a week's visit in Westfield, N. J., where they attended the wedding Nov. 10 of their niece, Miss Bonnie Cunningham, a daughter of Mr. and Mrs. George Cunningham to Edwin Tenney.

The ceremony took place at the First Presbyterian Church in Westfield.

Holiday Events Planned By St. Mary's PTA

St. Mary's Parent-Teacher Association met Monday evening with 35 members responding to roll call. Mrs. Mary Ann Bunk, president, presided and plans were made for the PTA members to receive Holy Communion in a body at the church Nov. 25 at the 7:30 Mass.

It was brought to the attention of the members that there is a need for an electric clock for one of the classrooms of the school, and a slide film projector to be used for the school.

The members voted to purchase the two items.

Plans were made to present the teachers and sisters of the school with a Christmas gift from the PTA.

The annual Christmas party for the PTA members is to be held Dec. 17, and a bake sale is to be held Dec. 1 and 2 in the chapel room. The children's Christmas party is to be held Dec. 20.

Fr. Engelbert Bielenko spoke to the group on the "True Christmas Spirit." Anthony Ratzewicz and Stanley Sobolski talked to the mothers on the

athletic and recreation club of St. Mary's.

Mrs. Margaret Szerzinski, Mrs. Christine Judal and Mrs. Tillie McMurtry were welcomed as members of the association during the meeting. The meeting was closed with prayer by Fr. Bielenko.

Refreshments were served by Mrs. Ann Lengyel, Mrs. Helen Papa, Mrs. Frances Rakiewicz, Mrs. Marian Dittman and Mrs. Margaret Kulaska.

BIRTHDAY PARTY FOR HUSBAND

Mrs. Howard Graham, 1947a Delmar avenue, entertained guests at a surprise anniversary party this week honoring her husband on his birthday.

Those present were Mr. and Mrs. Roy McClellan and children, Gayle, Kathy and Mike of Delmar, and Mrs. James Howard and sons, Keith and Kevin of St. Louis, Mr. and Mrs. James Graham and son, Edward and Mr. and Mrs. Ted Graham and son, Robert.

It's easy to acquire a good disposition—just learn to appreciate the small ones.

Great favors seldom come to anyone until they learn to appreciate the small ones.

HONOR DAUGHTER ON BIRTHDAY

Mr. and Mrs. R. H. Hotson, 2521 Wayne avenue, entertained guests at a party this week in honor of the eleventh birthday of their daughter, Trudie Beth. The affair was held at Kirkpatrick Homes Recreation Hall where decorations of multi-colored balloons were used. The refreshment table held a large birthday cake.

Motion pictures of the children were taken and they were entertained at games, the prizes going to Linda Fulkerson, Sandra Crook, Norma Goeller, Debbie Grace and Janice Chandler. Others present were Donna Calvert, Nancy Ehlert, Vicki Hasty, Linda Kahn, Sandra Stringer, Paula Welsh, Beverly Wiggins, Nancy Sheriff and Kathy Koser.

Education Week Open House At Webster School

Approximately 400 attended open house prior to a regular Parent-Teacher Association meeting Monday evening at Webster school. The classrooms were open and the children's work was displayed in recognition of "American Education Week."

Annual yearbooks were distributed to the PTA members. Gerald Lux, PTA president, opened the meeting and Intermediate Girl Scout Troop 245 presented a flag ceremony under the direction of Mrs. Jo Ross and Mrs. Dolores Mount. The PTA prayer was given by Fred Pett.

Reports were given by Mrs. Helen Frazier and Mrs. Eileen Tritschuh. Lux announced that the piano purchased last year has been paid for in full.

He also gave a report that the "book carnival" was a financial success. A letter of thanks from the PTA was read by Mrs. Frazier to the parents on their participation in the carnival.

Mrs. Pat Pool introduced Mrs. Estelle McBrien, a teacher at Webster school, who directed a play entitled, "Living Titles," with school children taking part. Each child was dressed as a book character and posed on the stage while Shirley Ann Mayfield, a third grade student, read parts of each book portrayed.

The meeting adjourned to a social hour, and refreshments were served by the following faculty members: Principal Clyde Lee, Alan Brueggemann, Kenneth Canan, Mrs. Friedella Cates, Miss Myrtle Draper, Mrs. Grace Enos, Mrs. Dorothy Proctor, Mrs. Eileen Girard, Mrs. Dorothy Hopkins, Mrs. Ruth Hopkins, Mrs. McBrien, Lewis Kersch, Miss Phyllis Reid, Miss Emma Sue Rose, Miss Ella Ray Smith, Mrs. Lilly Spotts and Larry Wade. Miss Dorothy Von Gruenigen is in the hospital.

A book award was presented to Kenneth Canan's sixth grade class for the highest percentage of parents present.

800 At Nameoki School Told of Jr. High Program

Open house was observed at Nameoki grade school Tuesday evening, with approximately 800 attending.

The evening's activities began with Walter Volkmer giving the PTA prayer, followed by a color guard of Girl Scouts from Troop 344 of Nameoki school conducting a flag ceremony and leading the assembly in the pledge of allegiance.

Joe Haasler, president, introduced Russell D. Johnson, assistant superintendent in charge of instruction in junior and senior high schools.

Johnson spoke on the junior high school program making a comparison of the ideas expressed by well-known educators on what the junior high program should achieve. He reviewed the local program.

Donald Kopp, principal, introduced the teachers of Nameoki school. He announced that the sixth grade students have prepared the first newspaper for the school and have called it "The Telstar." The papers were available after the meeting, with the children accepting small donations which will be given to the activity fund.

Mrs. William McQuinn, ways and means chairman, introduced the two children who had sold the most magazines, Richard Asadorian and Danny Schwendeman. Brad Cross and Nina Tarpoff received honors for selling the largest number of tickets for a fish fry. Winners from the third and fourth grade for highest candy sales were Mike Pedigo and Terry Sladsky.

A tour of the school was made by the parents, and refreshments were served in the school cafeteria by the fifth and sixth grade room mothers.

ATTEND DISTRICT MEETING OF HOME EXTENSION ASS'N

Members of the Bluff Unit of the Homemakers Extension Association from this city attended a district meeting Wednesday at the Pleasant Ridge Lutheran Hall. They were Mrs. Jesse Hastings, Mrs. Rutus Ramsey, Mrs. Fred Stevens and Mrs. Stanley Davis.

Members of other units in Collinsville, Glen Carbon, Maryville and Troy were present.

The District Chairman, Mrs. Alex Crabtree, was in charge and films on artificial respiration, food handling and food poisoning were shown by a representative of the local office of the Illinois Power Co.

Parent Of First Child

Mr. and Mrs. Thomas Wood, 1333 Edwardsville road, are announcing the birth of their first child, a boy, at St. Mary's Hospital in East St. Louis. The infant weighed eight pounds, eight and one-half ounces and has been named Thomas Rayburn Wood Jr.

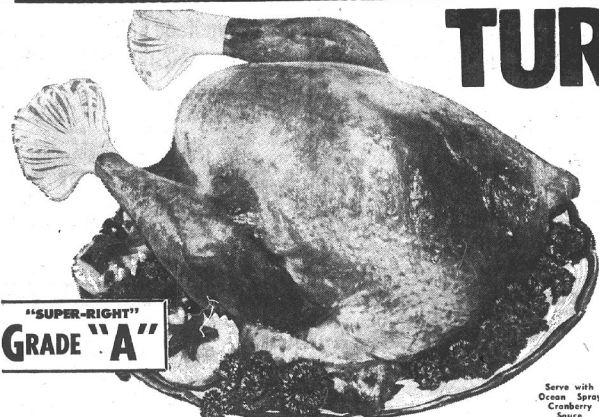

Mrs. Wood is the former Eleanor Prusk, a daughter of Mr. and Mrs. Dean Johnson of the Edwardsville road address.

PLAN FOR FROHARDT SCHOOL OPEN HOUSE

The executive board of the Frohardt school PTA held a regular meeting Tuesday evening at the school. Mrs. Edith McGee, president, presided at the business meeting and asked for committee reports.

Joe Kaleta, ways and means chairman, gave a report on the "fall festival" held in October. It proved to be a successful venture.

Mrs. Marlene Manogian informed the members the PTA yearbook has been distributed to the individual homes and the project is completed. Mrs. Elsie Rodell gave a brief outline of the recent Girl Scout appreciation dinner. Other reports were given by Mrs. Alice Worthen and Francis Herman.

Mrs. McGee said there will be no executive board meeting in December.

She also announced that open house at Frohardt school will be held next Tuesday, Nov. 20. Consultation between parents and teachers will be held from 2 until 8 p.m., followed by a social hour from 8 to 9 p.m. in the school cafeteria.

Other members present were Mesdames Jean Kaleta, Maxine Ellington, Lenore Groszewski, Agnes Frantz, Frances Holt, Dorothy Orriek, Ethel Juergensen, Lillian Russell, Lulu Mills, Mary and Olga Targio, Jo Ann Kalert, Betty Vessas, Lorraine Boushaur, Beverly Benoit, Margaret Freeman, Georgia Miller, William, and Bill McGee, Raymond Jones and Frances Herman.

PRESBYTERIAN WOMEN PLAN FOR CHRISTMAS

The Nameoki Presbyterian United Women's Association held a regular meeting Tuesday evening at the Nameoki Presbyterian Church, with 17 members present. Mrs. Alta Stewart, president, opened the meeting with a request that all members give the UPW purpose in union.

Mrs. Bonnie Britton gave the devotion and read names of missionaries of the day. She offered prayer in their behalf. A recommendation was made and approved that donations of food or money be given to the Protestant Welfare as the club's Christmas project. Mrs. Adele Gregerson gave a report on the World Community Day program which was held Nov. 4.

The program for the next month's meeting will be a Christmas observance. Announcement was made that the Evening circle will have a meeting on Nov. 27, in the home of Mrs. Bonnie Britton, 3518 Wilshire drive.

The program for the meeting was entitled, "A Blessing to Bless." Prior to the lesson, Mrs. Bea Pyle gave a short talk on the beginning of the thank offering.

The meeting was closed with prayer by Mrs. Stewart. Hostesses for the evening were Mrs. Erna Tucker and Mrs. Louise Thompson.

100 ENROLL FOR ARTS, CRAFTS CLASS

An arts and crafts class conducted Tuesday at St. John United Church of Christ had an enrollment of 100 Girl Scout leaders. The room was arranged with eight tables on which different art projects were taught. Table one was on candles, made in poly-poly glasses and decorated with glitter and holly leaves. Mrs. Betty Rea was in charge of instruction at the table.

Tables two and three were combined for a dog bookrack, made of coat hangers, yarn and cotton. Instructors were Mrs. Margaret McCalla and Mrs. Shirley Brown.

Table four featured a Christmas wreath made of white burlap with ravellied edges and decorated with sequins. The instructor being Mrs. Wilma McQuinnery; five, 50 items to be used as Christmas gifts and decorations. Mrs. Elsie Rodell; six, a doorknob hanger made of felt with a small silver bell attached to be used on a door knob; Mrs. Arline Brinkmeyer; and seven, hair curler holders made from plastic half-gallon jugs and decorated with different materials. Instructors were Mrs. Opal Davis and Mrs. Jeri Schieb.

Table eight had Santa stocking stuffers, made with a face covered with wax paper, decorated with cotton, plastic tape and red felt. Instructor was Mrs. Helen Miller. On another table was a display of 100 ornaments made by leaders. Those were explained to the ladies with a suggestion that the ideas be used for ornaments their troops will make for the "Festival of Giving" in December.

Rev. Paul Surbey, pastor of the church, welcomed the ladies and made a tour of the tables. Mrs. Wilma McQuinnery and Mrs. Shirley Brown were responsible for planning the program and securing materials used in the class.

MRS. LAVELLE HOSTESS TO THORNGATE CLUB

Mrs. Elizabeth LaValle was hostess to the Thorngate Garden club in her home Tuesday afternoon.

Mrs. Lillian Delp, president, conducted the business meeting and announced that all members are welcome to participate in an art show to be held at the local library. The members may sub-

mit such items as pictures done in oils, water colors or flower and driftwood arrangements, or many other art projects.

Final plans were made for a Christmas party, which will be held in the home of Mrs. Beulah Miller and will include a pot luck dinner. Following this the members will have a Christmas gift exchange.

After the business meeting, all members present participated in a white elephant sale, with the president serving as auctioneer. The hostess used a Thanksgiving theme in her home decorations and in her choice of refreshments. Each member made and discussed a Christmas centerpiece at the meeting.

Members present were Mesdames Doris Smith, Frances Williams, Geneva Paul, Evelyn Low, Mary Cochran, Millie Moss, Mary Markham, Wanda Kincaid, Helen Bennett and Yvonne Guth, Miss Jane Markham and Mrs. Ida Hanfelder.

The next meeting will be held on Dec. 11.

BAND PARENTS DISCUSS COMING EVENTS

The Granite City high school Band Parents Association held a regular meeting Tuesday evening at the GCCHS band room.

Sid Strotheide, president, was in charge of the meeting, with approximately 20 members present. He said the band parents will hold a paper drive in the near future, with the proceeds to be used for the spring band tour. Mrs. Pearl Staydhar will be chairman of this project.

Strotheide also announced that season tickets for the band concerts are on sale. W. A. Frey requested more clippings and a picture for a book he is preparing on the history of the band, its activities and its awards. It was decided that the parents will participate in a fund-raising project.

Mr. and Mrs. Jim Singleton were hosts for the meeting and served refreshments following the business meeting. Hosts for the next meeting on Dec. 11 will be Mr. and Mrs. W. A. Frey. It again will be held at the high school band room.

City Committee Still Waiting For Decision By HHFA

A meeting of the city council's emergency pollution study committee may be held Friday or Saturday. It was learned today from the chairman, Frank Vesel.

"We're still waiting to hear from the Federal Housing and Home Finance Agency in Chicago on the procedure for credits on the \$120,000 loan to the city for engineering," Vesel said.

He indicated the committee probably would meet this week even if an answer is not received from the HHFA. "We might be ready to make a recommendation on engineering for next Monday's council session," the chairman said.

The committee plans to submit the names of two engineering firms to the council for a decision on which will design a sewage treatment plant.

Vesel said the committee has not yet agreed on a method of financing. "Some favor general obligation bonds and others want revenue bonds," he said.

paring on the history of the band, its activities and its awards. It was decided that the parents will participate in a fund-raising project.

Mr. and Mrs. Jim Singleton were hosts for the meeting and served refreshments following the business meeting. Hosts for the next meeting on Dec. 11 will be Mr. and Mrs. W. A. Frey. It again will be held at the high school band room.

2 State Hospital Staffers To Attend Workshops

Two Alton State Hospital staff members will be attending workshops at the Manteno State Hospital, Dr. Abraham Simon, superintendent, said today.

Mrs. Mildred Fisher, assistant librarian, will attend a workshop Nov. 19-21. It will deal

with methods—how to make the library more interesting for patients.

Mrs. Connie Winslow, recreation supervisor, will go to the workshop on geriatrics Dec. 3-7. Geriatrics is a study of old age and its diseases.

No Reduction In Madison School Treasurer Bond

The first Madison school district treasurer bond was approved Tuesday night as the board of education met one week early so that members will be able to attend the Illinois Association of School Boards convention Nov. 18-20 in Chicago. Previous treasurers have been named by township school trustees.

At the meeting, education salaries for October hit the amount of \$50,180 and school lunch salaries of \$2,141 were allowed.

Bills paid for October were educational, \$26,902; buildings, \$788; and school lunch, \$541.6.

\$1711 Bond Cost
A two-year \$250,000 bond for Treasurer Raymond Kozielek was approved for payment at a cost of \$1711. It has been taken out with Maryland Casualty Co. through the Flinn-Maers agency of Madison. The agency sought a reduction from the premium quoted, but the Maryland firm said it is a standard rate and would not reduce it.

The same amount is being paid by the Venice school district for a bond of the same amount for its treasurer. Both bonds are for the two-year period beginning July 1, 1962.

It was disclosed in July that the Venice premium was about three times what the cost might have been if competitive bids had been obtained, based on comparative figures. The Madison district also did not seek competitive bids, but sought a reduction during negotiations which have been in progress since last summer.

A bond and interest payment of \$19,145 was approved by the board.

\$426,000 Balance
Kozielek reported a Nov. 1 cash balance of \$426,833 in a treasury report. A breakdown included educational fund, \$314,302; school lunch fund, \$7288; building fund, \$21,772; and bonds and interest fund \$83,472.

Speech Correctionist Miss Eleanor Popovsky reported the caseload unchanged at 79. School Nurse Miss Nina Dittman announced that the annual tuberculosis testing program will be held at the high school in February and March. Montoux testing for all high school students will be held Feb. 19, with the tests read Feb. 22, and the x-ray unit will be present March 14.

School Social Worker Arthur J. Christie reported that 42 children are receiving guidance.

Discuss School Faculty
A delegation of four Negroes representing the School Citizens' Committee and consisting of Rev. Van D. Covington, J. W. Hampton and Mr. and Mrs. Thomas Weston, attended. The group discussed with the board the possibility of adding Negroes to the Madison high school faculty. It was pointed out that the school district has had no vacancy at the high school, except for a part-time Russian teacher, for two years. Approximately one-third of the Madison school district's faculty members are Negroes, including two of the six principals and one of the two speech correctionists. There are none at the high school. The group noted that MIS has one counselor instead of the two recommended by the North Central Association of Colleges and Secondary Schools.

Two Granite City Boys Cruising West Indies

Two Granite City Boy Scouts are among five from southern Illinois taking part in a yacht cruise of the British West Indies. They are Paul Helrich, 14, of 2437 Hodges avenue, and Larry Nolan, 14, of 2620 Delmar avenue.

They were winners in a competitive recruiting program for Marquette Trail sponsored by the Catholic Committee on Scouting of the Belleville Diocese. The "Trail" is sponsored each summer to different parts of the country. This year it was to the Missouri Ozarks for one week.

The five boys departed this week with the Rev. Robert Voorn, chaplain for the Belleville Diocese Boy Scouts, to drive to Florida. There, they were to embark on a private yacht for the trip.

The boys were the first five to recruit 35 other boys for the Marquette Trail.

Paul is the son of Mr. and Mrs. Henry J. Helrich. His father is Scoutmaster of Troop 18, Sacred Heart Church.

Larry is the son of Mr. and Mrs. Richard Nolan. His father is assistant Scoutmaster of the same troop.

Both boys are students at Coolidge junior high school. The other winners are from Cahokia, Marion and Evansville.

Haddler Hospitalized
George Haddler, 2508 Cleveland Blvd., is a patient at St. Elizabeth Hospital where he is undergoing treatment for a heart condition. No visitors are allowed at present.

Crash On Nameoki Road

Autos driven by James R. Fox, 58, of 2 Kaseberg Park, and John A. Hunt, 49, of 2172 Robert avenue, were involved in a collision about 7:50 p.m. Wednesday on Nameoki road near Primrose avenue. Fox was driving north, police said, and Hunt was driving south and attempting to turn left when the accident occurred.

GC Fire Department Answers Three Calls

The Granite City fire department responded to three fire alarms Wednesday. Burning rubbish caught the fence afire at the home of Mrs. Guinevere Berkeley, 2336 Edison avenue, about 3:30 p.m. Loss was estimated at \$30.

burned out at Lillian's Grill, 1923 State street about 4:50 p.m. Damage was estimated at \$30.

About 8:10 p.m. a fire was extinguished in an abandoned derelict auto in the 1900 block of Park avenue.

Old age never begins until regrets take the place of dreams.

Brick Throwing Charged

Charles Mitchell, 25, Eagle Park Acres, is still in the Venice jail today after being arrested at 8 p.m. Tuesday on peace disturbance and property destruction warrants by Rosetta Watts charging that he threw a brick through a window of her home, 1203 Market street. Bond is to be posted pending a hearing.

Await Word On Family Stationed On Guam

Mr. and Mrs. Gordon Charlton, 3257 Carlson avenue, and Mr. and Mrs. Steve Stalkoff, 2930 State street, are awaiting word from Guam on the safety of their children, Air Force First Lt. Edward Charlton and his wife, the former Marilyn Stalkoff, and the couple's son, Brian, three years old.

The U. S. base was damaged when a typhoon wrecked most buildings on the Pacific island early this week. Families are being evacuated and have begun to arrive in California.

Theories are educated hunches with common-sense attachments.

MUMPS STILL REGARDED AS HIGHLY CONTAGIOUS

At least 30% of the American population has had mumps at some time or another without

ovaries in women. If only one gland is damaged, the ability to have children is not destroyed. But if both glands are affected it may cause sterility.

be aware of it, according to health authorities. Consequently, it is one of the most contagious—and perhaps under-rated—diseases in our country.

An acute virus disease especially prevalent in winter and early spring, mumps usually causes painful enlargement of

the salivary glands in front of the ears, under the tongue and lower jaw.

This swelling, which appears from 12 to 26 days after contact or exposure to the disease, may last about four or five days.

Talking, Eating Difficult

Though it is quite common for

Only one side to be affected, both sides of the face frequently are involved. In either case, the patient finds talking and eating extremely difficult.

The disease occurs primarily among children between five and 15 years of age, and is therefore classified as a childhood disease. However it may

One never knows where a trivial thought may lead him. A few measures from the music of an old song or phrases from an almost forgotten ballad often cause a train of memories to

come trooping back. There also are other strange and infrequently heard sounds that arouse their echoes. Experiences like these are not unusual. In the present case it was not sounds, but an odor that started the memory mill.

Instead of calling this particular

har appeal to the sense of smell an odor, one is tempted to say fragrance, for that term could very well be applied to the delightful smell that came from the crisp, buttered, oven heated slices of garlic bread recently served with thick juicy steaks broiled over a charcoal fire beside a woodland log cabin.

For these purposes, it was fine ground. Eating garlic was thought to cure bronchitis. It also was a remedy for colic, rheumatism, and "lung trouble" when boiled in milk.

When high blood pressure came into prominence, garlic was a folk remedy. It also enjoyed

Strangely the memories aroused are not attached to some past feast, far from that. Also, they are not about garlic alone, though garlic, from its force of character, holds high place among remembered odors. In location, however, these remembered scents are concentrated, as somewhat watered-down substitutes for garlic.

The faint odor of garlic started it all, but there were several others associated with it, one of which was distinctly a rival. That was the arch stinker, as Sulphur came in for its place in the list of folk remedies. It left its scented trail in the schoolroom. Mixed with lard and tallow it was an effective remedy for scabies or body vermin. A warm day or a heated room betrayed its user. Sulphur molasses were about as regu-

foetida. With it came sulphur, coal oil (kerosene), turpentine, onion juice, weird concoctions containing goose grease, possum oil, tallow and beeswax, with occasional whiffs of camphor as spring. They thinned thick blood of winter.

It is strange how some tri thought can start memories.

Others, non-medicinal, could be added. There was the smell of soiled woolen clothing steaming beside the schoolroom stove, that of heavy felt boots that needed airing, and of leather

Most impressive among the remembered smells of the well warmed winter schoolroom was the pervading and powerful smell of asafoetida. This malodorous gum came from Afghanistan.

tan. It was considered powerful, somewhat in proportion to the times it gave off. It was an ancient and highly esteemed remedy, being popular with Greek physicians over 2000 years ago. Its powerful and repellent scent was thought to ward off diseases. That belief still lingered.

There was one more use of asafetida, and that was to test a speller's ability. According to the speller used, it had to have the 'o' in it.

Press-Record YOUTH FOCUS

"SERVICE TO YOUTH" plaques presented Monday evening by the YMCA Teen Town Council to four local residents who were honored at a tea held at the Y. Left to right are—Miss Arlette Alexander making the presentation to Earl Iberg, Miss Karen Bloodworth honoring Carl Graham and Larry Tolbert making the presentation to Mrs. C. E. Townsend and C. E. Townsend.

Teen Town Council Honors Adults For Youth Service

Youth honored adults with a tea Monday evening at the YMCA.

The "Y" Teen Town Council presented silver and walnut "Service to Youth" plaques to Earl Iberg, Carl Graham and Mrs. C. E. Townsend.

Larry Tolbert, Teen Town Council president, in introducing the guests of honor to about 100 persons present, said the "outstanding citizens of the community" were being honored for the aid they had given Teen Town both financially and in time.

He made the presentation to Mr. and Mrs. Townsend. Mr. Townsend is editor and publisher of the Press-Record, and Mrs. Townsend is a member of the

YMCA board and the Teen Town adult advisory staff.

The plaque presentation to Mr. Iberg was made by Miss Arlette Alexander, first vice-president of Teen Town Council; and the presentation to Mr. Graham was by Miss Karen Bloodworth, second vice-president.

Mr. Iberg is employed at the Granite City Army Depot and lives at the YMCA. He has spent numerous hours aiding the "Y" and its teen program. Mr. Graham, who earlier this year was awarded the community's "outstanding citizen award," is proprietor of Graham's Book Store.

The Teen Town Council is made up of 60 students, sophomores, juniors and seniors. The adult sponsor is Mrs. Robert Spengler.

Annual Pep Rally Tonight In Venice

With the basketball season almost underway, students at Venice high school will hold their annual pep rally this evening. Events will begin with a parade and end with an assembly at the school.

Cheerleaders will lead the student body in school cheers, and will show cheering formations to help develop school spirit before tomorrow night's opening game. The student council is in charge of the pep parade.

James R. Harsh, a 1962 Granite City high school graduate, is a pre-medical student at Elmhurst College. He is a member of the college wrestling team.

Venice High FHA Sponsors Dance To Raise Canned Food

By Michael Lopez

The Future Homemakers of America at Venice high school sponsored a "Tin Can Hop" dance last night, with students attending donating canned goods for needy families.

Admission to the dance was one large or two small cans of food. Canned goods collected will be donated to the Catholic and Methodist churches, and the churches in turn will distribute it to needy families and individuals.

Charlotte Koelker was admissions chairman, in charge of the collection of canned goods. Decorations chairman was Kathy Yearman, who had the job of seeing that the school gym was decorated to suit the theme.

Evelyn Ritz, refreshment chairman, and her committee assisted in the operation of the VHS student lounge. Roseann Cooper and Jackie Lake served as entertainment co-chairmen.

The VHS BAND is currently selling and taking orders for "Cool School Stools." The stools come in various designs and the specialty of the band sale is one with a Venice "Red Devil" on top. "Cool School Stools" may be purchased from any member of the band.

JUNIOR CLASS MEMBERS at VHS spent two periods in an all-day concentration Monday, as they took the School and College Ability Test. The test was administered by Miss Moore Goshong, school guidance counselor.

THE FUTURE HOMEMAKERS are now selling packages of Christmas wrapping paper, with profits to help finance FHA activities. Anyone desiring wrapping paper may contact any FHA member.

THE JUNIOR RED CROSS membership drive is still going on, according to Mary Margaret Caruso, president. Miss Caruso said the enrollment drive will end shortly. The Junior Red Cross Council has changed its name to the High School Red Cross.

Hershel Jones Named Outstanding Airman

Airman First Class Hershel L. Jones of Granite City has been selected Outstanding Airman of the month in the 701st Radar Squadron at Fort Fisher Air Force Station, N. C.

Airman Jones, a U. S. Air Force radar repairman, was selected for the honor in recognition of his exemplary conduct and performance of duty.

The airman, a graduate of Granite City high school, was formerly employed by the State Radio and TV. He is the son of Mr. and Mrs. Elva Jones of 2409 Logan street. Airman Jones and his wife, the former JoAnn Harp of 2837 Fortune drive, have one child, Paula.

Arabian Nights Setting For Annual GCHS Prom Saturday

Memorial gymnasium at Granite City high school will be transformed into an Arabian Nights setting Saturday for one of the school's most important social events of the year—the annual Junior Prom.

The band—the Newports—will appear in a cloud of smoke to play for dancing from 8:30-11:30 p.m. Dancers will be in formal dress, with the girls in evening gowns and their escorts in tuxedos.

The prom is sponsored each year at this time by the Junior class for the seniors. Junior class officers are in charge of the preparations. Jim Proffitt, junior class president, is responsible for decorations. The gym will be decorated to fit the Arabian Nights theme. Junior Class Vice-president Jim Cant is in charge of refreshments.

Annual MHS Homecoming Dance Wednesday Night

By Diana Fox

The annual Homecoming dance will be held in the Madison high school gymnasium Wednesday, with dancing from 8 to 11 p.m. All MHS students and alumni are invited to attend.

A floor show, sponsored by the student council, will be presented during the intermission. Songs by Elaine Russell and Bernice Sabel will be featured, along with an acrobatic act performed by Leon Bruck.

Other acts and entertainment will be presented, with the complete program yet to be announced. Music for the evening will be provided by Joe Hlava's band.

The Homecoming dance is traditionally well attended by former MHS students who wish to renew old friendships and recall old memories which may have been covered through the years.

Plans Near Completion For Library Art Show

Final preparations are now underway for the Granite City Art Exhibit scheduled for Nov. 25, Dec. 1 at the Granite City public library, according to Mrs. Carl Fuller, chairman.

Because of the number of entries, Mrs. Fuller said, each artist will be limited to four works in the exhibit. The artist will be asked to show what he considers most representative of his work. Deadline for entry was Saturday.

Artists who have entered works in the show include salesgirls, housewives, stenographers, businessmen, teachers, a clergyman and many others. Mrs. Fuller said. Ages of entrants vary from 10 to 80.

Floral arrangements also will be exhibited. Members of the Thorngate Garden Club, Garden Study Club, Gardeners' Club, Victory Garden Club and Terrace Garden Club will send arrangements.

Mrs. Fuller said Fred Yost, a special representative of newly-elected State Senator Paul Simon, has written a detailed report of the exhibit. Rep. Simon is making a study of cultural activities in the area and a possible need for related legislation.

WRONG SLANT
Concett creates a world of unreality—a distorted mirror reflecting a false view.

Top Seniors To Stage 'Diary of Anne Frank'

Work is well underway on "The Diary of Anne Frank," GCHS top senior class play scheduled for staging Dec. 8.

Carolyn McFadden will appear in the lead role as Anne Frank, with Tom Mitchell as Mr. Frank and Bob Bunte as Peter Van Daan.

Other cast members are Pat Pfaff as Margot Frank, Charles Parnley as Mrs. Frank, Rickie Copeland as Mrs. Van Daan, Lois Medlen as Mrs. Van Daan, Redith Mathenia as Miep, Bob Davis as Mr. Kraler and Joe Jackson as Mr. Dussel.

Special effects play an important part in the performance. The vocational shops are working on projects designed to make the desired lighting and sound effects possible.

The play is based on the book, "Anne Frank: Diary of a Young Girl." It is the story of eight Jewish people hiding from the Nazis in Amsterdam during world war II.

So far, one role in the performance is yet to be filled (that of Mouschi, the cat. A cat with proper qualifications has not been found).

AT ALTON CENTER

Terry W. Cook is attending the Alton center of Southern Illinois University, where he is a business major. Cook is a 1962 graduate of Granite City high school.

FIRST HOMECOMING

According to the "Granite High World," the first Homecoming at Granite City high school was held in 1925.

Thanksgiving Holiday Observed Next Week

Quad-Cities students will get a short vacation next week as schools observe the Thanksgiving holiday. Granite City, Madison and Venice schools will be dismissed for the weekend Wednesday afternoon.

Classes will be resumed Monday, Nov. 26, on a regular schedule.

Eight Initiated Into GCHS Quill and Scroll

Eight new members were formally initiated Tuesday into the Granite City high school chapter of Quill and Scroll, journalism honor society.

An informal initiation had been held earlier, followed by a breakfast at the home of Pat Kadane.

New members of the group are Elaine Prusak, Rita Lapinski, Donna Tenney, Pam Sabin, Sandy Robertson, Tom Jones, Clinton Van Zant and Jerry Nelson.

Quill and Scroll sponsors are Miss Marcia Hance, "High World" advisor, and Robert Johnson, yearbook advisor.

Lincoln Elementary Tops In Attendance

Lincoln elementary students topped all others in Venice in October attendance with an average of slightly above 96%. As of Nov. 1, there were 29 attendance days in October.

Farm Column

By FRUMAN W. MAY
Madison County Farm Adviser

An increase in the number of beef cattle in this area has been quite noticeable for the past several years. Some interesting information from the Illinois Co-operative Crop Reporting Service shows that beef cow numbers have nearly doubled in Illinois since 1950.

The largest increase was in 15-county area called the west southwest crop-reporting district, which includes Madison county. This area added over 60,000 beef cows in the 12-year period. On a percentage basis, 24 southern Illinois counties showed the greatest increase, 142%. Beef cows in Madison county increased from 8900 on Jan. 1, 1961 to 6100 on Jan. 1, 1962. The number has consistently increased each year for the past 10 years or so. There were less than 2000 beef cows in the county in 1950, according to the agriculture census.

What are some of the reasons for this increase in beef cow numbers? During the past 12 years returns from feeder cattle have often brought as much as or more a hundred than fed cattle. Other farmers have quit dairying, especially the small operators and those selling grade B or cream. Most new beef cow herds have been started for these two reasons. Existing beef cow herds have been enlarged because of the relatively high price or the good demand for feeder cattle. Improved pastures and feeding programs have made it possible to carry more cows on a similar acreage.

Beef cows are best adapted to farms with a large proportion of noncultivated land, to farms that can grow a small proportion of cash crops, and to the larger grain farms and have an extensive supply of low-quality roughage such as stubble and stalks. With good management a beef cow herd can provide supplemental income on many farms and be the major source of income on some.

Some farm businesses have underemployed labor, adequate housing and surplus roughage. The relatively strong position of beef cows on farms with a large acreage of permanent pasture becomes apparent when hourly labor returns are considered and if no charge is made for forage except harvest cost of hay. A beef herd can be easy to develop and takes a limited amount of labor. It may be profitable even though it still yields a lower average return than cattle feeding.

In today's complex world, a farmer who wants to stay in business must have the ability to get control of his resources and

use them in such a way that they'll contribute to his profit motive.

Agricultural economist at the University of Illinois has developed a procedure for making the most effective use of fertilizer resources in terms of increasing farm profit.

This plan, which is reported in Circular 855, Choosing The Most Profitable Fertilizer Program, is based on the need for establishing a priority in the use of fertilizer.

Copies of this circular, which contains example problems and the necessary forms for setting up your own fertilizer program, can be obtained from the farm adviser's office.

Are you planning to run feed or cattle in your stalk fields this fall to pick up dropped corn? If you are, it will probably pay to give the cattle some protein supplement while they are in the fields. In Iowa tests, 1.2 pounds of protein supplement per head daily increased daily gains about 25% while cattle were in stalk fields. Each dollar spent for supplement returned \$2.85.

Don't forget that bred sows used to clean up stalk fields need protein supplement to get a balanced ration. Second-litter sows need at least one pound of a 35% drylot supplement, and first-litter gilts probably need 1 1/4 to 1 1/2 pounds of supplement per head daily.

Are you cleaning up those corn fields with feeder lambs? If so, don't forget their protein needs. Some legume hay in a rack, a fall stubble legume pasture or a pound of soybean meal daily for every five lambs will supply the protein.

The Southern Illinois Breeding Association honored three 15-year technicians at the recent association annual meeting at Brees. They were Ed Von Hatten, Edwardsville; Robert Bradley, Hillsboro; and George Watson, Anna.

All these men are character technicians, starting in their areas soon after the Southern Illinois Breeding Association. Ed

Van Hatten leads with 34,762 first service cows bred. He will complete 16 years work Dec. 1. Norman E. Henke of Staunton was re-elected director for the district including Madison county at the annual meeting.

After harvest is a good time to start planning your building program for next year. Be sure to use engineered plans for new buildings. The county Agriculture Extension office has a complete catalog of farm building plans. Look it over for the plan that will fit your needs.

University of Illinois agricultural engineers advise farmers to select their drain tile very carefully. Like the proverbial link in a chain, a tile system is

no better than the weakest piece of tile. Inspect the tile as delivered, and cull out those that have deep cracks, large checks and honeycombed walls. Also reject tile that is out-of-round or warped and that has ragged ends. Be sure that concrete tile is cured before you lay it in the trench.

Problems between hunters and farmers would be reduced if both sides knew their legal rights and responsibilities. All game is considered the property of the state and is subject to regulation. However, the farmer has the final word on who shall be allowed to hunt on his land.

Several farmers have recently asked if it is too late to sow

wheat. These cases are mostly on fields where soybeans were harvested late.

Wheat has been known to make a fairly good crop here seeded as late as early December. The later the seeding, of course, the more chance of winter injury to the young plants. There is considerable moisture in the soil now and usually there are some warm days the last half of November, so the chances are that the seed would sprout soon and the plants make growth before real cold weather. Applying some high-phosphate fertilizer with the wheat seed will help it grow faster.

Motel Owners To Hear Talk On New Highways

Details on new highway construction in the area will be presented tomorrow evening to members of the River Bluffs Motel Association, William H. Theobald of the Chain of Rocks Motel here is president and said George Shanahan, district engineer for the state, will be the guest speaker.

Shanahan is to present data on the new interstate highway system. The meeting will be held at 6 p.m. Friday in the Surrey Restaurant at Fairmont City.

Theobald said the association has had 20,000 brochures printed for distribution throughout the state. It features pictures of the Chain of Rocks canal locks, the Lady of the Snows Shrine, Fairmount Race track, the Cahokia mound built in 1737, re-furbished at Wood River and the riverfront road.

There are 30 member motels in the association.

Education Week Programs At 7 Schools Today, Friday

"Open House" observances of American Education Week, which started Monday, are continuing at schools in the area. Observances already have been held at 12 schools in Granite City and five in Madison and are continuing in all three districts.

At Venice schools, parents are invited to visit during regular school hours today and tomorrow. However, no observance is planned at the high school.

Visitation day also is being held today at Dunbar school in Madison. Today's schedule in Granite City calls for open houses from 6:30 to 7 p.m. at Logan Annex, 7 to 7:30 at Logan school, followed by a PTA meeting; and from 7 to 8 p.m. at Wilson school, followed by a social hour.

On Friday, there will be open house at Madison high school from 1:15 to 3:30 p.m. Students will be dismissed at 2:15 p.m. to permit parent-teacher conferences.

Space Expert Outlines 'Gemini' For GC Rotarians

Robert Pannett of Granite City, a McDonnell Aircraft company engineer in charge of the development of the guidance control mechanism of the Gemini space capsule, was the guest speaker Tuesday at the Rotary club.

The craft is being built by his company to orbit two astronauts. Besides orbiting two men at one time, the program has three other major objectives, Pannett said.

Gemini will measure man's ability to perform in space on flights as long as two weeks and ascertain the effects of prolonged weightlessness.

Dry Ground Landing

It will put to a test the idea of linking up two spaceships in flight and operating them as one and it will be our first attempt to make a controlled landing on dry ground at a predetermined spot. "So far," Pannett said, "our orbital flights have not been over suitable long enough to attempt such landings."

He also described the various systems being built into the space vehicle to permit survival of the astronauts.

They include environmental control, the communications system and the electrical system. The environmental control contains the means of supplying oxygen, maintaining pressure and humidity, and the seating facilities to make the astronauts as comfortable as possible.

The communications system contains not only the voice radio but also the visual radio communications but the system for communicating with the rendezvous craft and the device that send back to earth readings of the men's blood pressure, heart rate, body temperature and respiration.

The electrical system contains a fuel cell which uses pure oxygen and hydrogen to generate electricity, and it gives off as a by-product one pint of water for each kilowatt hour.

The Gemini capsule will be lifted into orbit by a modified Titan II booster rocket.

Space Rendezvous Problem

The space rendezvous presents many complex problems, Pannett said. An Equatorial Orbit would be ideal, he said, because the launching point would always be under the orbit.

The two vehicles, therefore, would follow the same path.

Catching up to an orbiting space vehicle will be done by flying an elliptical orbit, thus taking less time to go around and catching up on each orbit until the astronaut's radar locks onto the other vehicle. By the time the astronauts are ready to dock their craft there will be but slight differences in velocity between the two vehicles.

There is an automatic locking system which permits the two units to be operated then as one.

When it is no longer needed the excess unit will be released and the astronauts will land without it, using a parachute inflatable wing to steer their craft. The landing will be made on runners.

The target date for Gemini flights to begin still is classified, the speaker said.

Fifty-five Rotarians attended the meeting at the YMCA.

County Third In State In Number On Public Aid

Madison county was third in the state in the number of recipients of Illinois public aid during September, but the 7607 total was far below the 27,843 in Cook county and 27,515 in St. Clair county. Next was Winnebago county with 5864 persons.

The 7607 Madison county recipients were paid \$313,723 for September, it was announced Tuesday.

A breakdown follows: old age assistance, 1120; 387,243; aid to dependent children, 4528; \$162,107; blind assistance, 62; \$4701; disability assistance, 310; \$24,107; and general assistance, 1587 persons, \$35,465.

Medically Indigent Aged

The latest Illinois Public Aid Commission report does not include county figures on assistance to the medically indigent aged, which totaled 340,973 for 665 Illinois recipients in September.

Since the inception of the medically indigent aged program in the state in August 1961, 8415 applications have been received, with 4444 approved for medical care, 3042 denied or withdrawn and 329 pending. Payments to date of \$1,387,612 have been made for 2316 different persons for an average of \$599.

In September, the state's share of this program was 53% federal government, 45% local governments, 2%.

Most Of Funds To Cook County

Cook county, with 278,431 receiving \$16,026,201, dominates the state public aid figures of 428,779 and \$23,449,738 for September. The 361 downstate counties received \$7,423,537 for 150,348 individuals.

Madison county's aid to dependent children rolls of 4528, with \$162,107 received, compare with 17,567 and \$876,826 in St. Clair county; 74,082 and \$2,780,953 downstate; 189,499 and \$8,800,238 in Cook county; and 263,391 and \$11,581,211 statewide.

During September, 150 were transferred from general assistance to federally-aided programs and received partial assistance from both programs. Other transfers were made without a division of payments.

State public assistance fell by another \$100, marking the sixth month of successive declines. The trend is usually downward during March-September, but the decreases of 5.3% in 1960 and 2.3% in 1961 are less than the 8.5% representing nearly 40,000 persons, this year.

Robbins To Be Soloist At Church Here Sunday

Lee Robbins, soloist for Revivaltime, international weekly radio broadcast services of the Assemblies of God, will be heard in a special musical service at First Assembly of God, 24th street and Grand avenue, Sunday, Nov. 18, at 7:30 p.m., according to an announcement by the pastor, Rev. Paul Evans.

A 1962 graduate of Central Bible Institute in Springfield, Mo., Mr. Robbins recently was appointed soloist for the broadcast service, after having served the staff as a student soloist on a part-time basis for the past four years while attending school. In his fulltime capacity he travels with the Revivaltime team, singing in various Assemblies of God churches, conventions, rallies, youth services and other meetings.

Originating in Springfield, Mo., international headquarters of the denomination, the Revivaltime broadcast service is released over approximately 500 stations in the United States and 49 foreign stations.

A resident of Fresno, Calif., Robbins enrolled at Central Bible Institute in 1958. During the summer of 1960 he joined the Crusaders Trio and traveled in Europe, ministering in various churches and representing the school. An invitation is extended to the public to attend the Sunday service.

ICC To Decide Dec. 18 On City And ITR Case

(Special from Springfield)

Final disposition of the city of Granite City's application with the Illinois Commerce Commission for removal of abandoned street car tracks is expected at a hearing set for Dec. 18.

The city council recently voted to accept \$30,000 from Illinois Central Railroad Co. for settlement for the track removal which has been estimated to cost \$108,000.

Turkey Talk!

You go to buy your Thanksgiving Turkey. Yes, you find the prices slightly higher than last year, but still it's one of the best meat buys you can find.

That's the prediction just before they reach your local market.

Success with your roast turkey begins with careful shopping and pre-cooking care. Points to consider are: for smaller birds, weighing 12 pounds or less, allow 1/2 to one pound per person for one generous serving. One half to three fourths pounds of a larger bird will produce the same size serving.

Young hens, toms and fryer roasters are all suitable for roasting. The fryer-roaster is becoming a more popular bird for the small family and may vary anywhere from three to eight pounds.

If you buy a frozen turkey, be sure it is solidly frozen at time of purchase. Avoid turkeys with torn wrappings and discoloration due to freezer burn. For best results keep frozen until cooking time—allowing just enough time for defrosting—and follow directions on package.

It may be left in original body wrap in refrigerator for two to four days—or thawed under running water in it's wrap for two to six hours. Do not thaw at room temperature or in warm water.

POINTERS ON MAKING GOOD GRAVY ARE: The pan drippings are important for good color, flavor and richness of gravy. Drippings are the fat and meat juices that collect in the pan during roasting. Pour these drippings into a bowl or measuring cup, leaving the brown residue in the pan. For each cup of gravy desired, use one and one-half tablespoons each of fat and flour and one cup of liquid. The liquid may be a combination of the meat juice and the fat layer of drippings, giblet broth, water or milk.

The finished gravy may appear slightly thin, but since it is a starch mixture it will thicken as it cooks and have a good consistency when served. Allow one-fourth to one-third cup of gravy per serving. To prepare the gravy, add the measured flour to the measured fat in the roasting pan. Blend thoroughly. Place over low heat and cook fat-flour mixture until frothy, stirring constantly. If desired, brown the mixture slightly, at this point in the cooking, to give more color and flavor to the gravy.

Add the cool or lukewarm, not hot, liquid all at once. Cook, stirring, scrape the brown residue on the sides and bottom of the pan into the gravy. Simmer about five minutes. Season to taste.

Time tables gives rough estimates for the roasting time for turkeys. You can tell definitely when your bird is done by the following methods: (1) If you use a meat thermometer, it should register 190 degrees F. (2) The drumstick should move readily or twist out of the joint. (3) The meat on the fleshy part of the drumstick should feel very soft when pressed between your fingers, protected with paper or cloth.

Alton Hospital Will Honor Volunteers

Four Quad-Cityans will be among 59 persons to be honored Dec. 2 for volunteer work at the Alton State Hospital. Dr. Abraham Simon, superintendent, said today that Mrs. Omnia Parks and Mrs. Laura Evans, Granite City, will be given honorable mention, and Mrs. Mildred Pehling, Granite City, will be among new volunteers to be given recognition.

The awards program will be held at 2:30 p.m. on Sunday, Dec. 2, at the institution's recreation hall. The featured speaker will be Mrs. Fred E. Berry of Wood River, whose theme will be "Service." She is a member of the denominational board for homeland ministries of the United Church of Christ.

Also on the program will be the hospital give club. Dr. Simon will present pins or certificates to the volunteer workers.

Rites At Carbondale For Harry Chaney

Funeral services were conducted this afternoon at a Carbondale funeral home for Harry Chaney, 74, of DeSoto, Ill., a former Granite Cityan. He died Tuesday enroute to a Carbondale hospital. Burial was in DeSoto.

Mrs. Chaney moved from Granite City in 1930. Survivors include two daughters here, Mrs. David (Jennie) Bloodworth and Mrs. Ruby Tripp. Six sons and five other daughters also survive, along with 33 grandchildren and a number of great-grandchildren.

MUSHROOMING GROWTH of the Mitchell area is emphasized by construction of these new homes on Old Alton road between Maryville road and the Mitchell post office.

Motorist Charged

Alford A. Nelson, 76, of 2538 East Twenty-Fifth street, was charged with failing to yield right-of-way Monday. Police said he drove out of a driveway in the 2300 block of Madison avenue about 5 p.m., and his auto was involved in a collision with another driven by Sheila A. Fisher, 22, East St. Louis. She was driving south on Madison. Her auto was damaged on the right side and Nelson's was damaged in the right front.

Collide At Second Street

A collision at Second street and Madison avenue at 10:30 a.m. Tuesday damaged the right front fender of the southbound auto of Bruce R. Smith, 2030 Park avenue. The other car was being driven east by Jewell Poe, 2433 Logan street.

NEW WINDY MEADOWS homes now completed on U. S. 67a just south of the By-Pass 66-40 intersection. The homes are the first of a number planned in the new subdivision, with all to be of brick veneer construction. The new houses will have two, three or four bedrooms.

Gaging Of Steel To Be Topic At AISE Meeting

A talk by W. R. Baerck, product manager of Daystrom, Inc., gage division, at Archbald, Pa., will be given Nov. 28 for the St. Louis Section of the Association of Iron and Steel Engineers. The dinner meeting will start at 6 p.m. in the Elks Club here, with dinner at 7.

Baerck will outline the theory of operation of the non-contact gage and how it can be applied in the metals working industry. In his advance announcement the speaker said, "Gaging of metals in various processing lines is becoming more important in order to satisfy the needs of manufacturers of the end products for which the metals are required. Many are demanding closer tolerances to a specific gage as ordered."

Leonard Ham, superintendent of the hot strip mill at Granite City Steel Co., is chairman of the St. Louis section and Leonard Will, plant superintendent at Laclede Steel Co., Madison, is vice-chairman.

17th Annual Yule Wrapping Decorating Show Set Dec. 11

Hundreds of Granite City art students — from seventh graders to high school seniors — will have their original Christmas decoration ideas on display Dec. 11 at the senior high school.

Art Director Eugene Alassi has set that date for the 17th annual "Christmas Wrapping and Decorations Show." It will be held in the auditorium starting at 7:45 p.m. and seats will be available on a first-come-first-serve basis.

The popular showing is scheduled for a Tuesday evening this year to permit attendance by

local retailers as well as housewives.

Standing room only crowds have been reported for each one of the 17 shows since they were initiated by Alassi.

The large-sized stage of the auditorium will be completely filled with Christmas holiday wrapping and decorating ideas, Alassi said. The youngsters have been working on them the past several days and are nearing completion on some of the larger items.

Regardless of size, each student's creation will be on display on the stage.

Sister Beatrice Schnabel Dies; Retired Teacher

Sister Beatrice Schnabel, a retired Order of Divine Providence teacher, died at noon Tuesday at St. Elizabeth Hospital. She had been a patient there five months. She was 74.

Sister Beatrice was born in Pittsburgh, Pa., where she taught before coming to this area in 1930. She taught at St. Mary's school in Madison from 1930-32, then taught in Missouri and Illinois until her retirement in 1951.

Residing at the Mt. Providence Mother House in Normandy, Mo., Sister Beatrice continued to teach and work with individual students until 1959. She was confined to a wheel chair.

She is survived by a brother, Matthew Schnabel, of Pittsburg. Funeral arrangements are given in the obituary column.

Christmas Savings Checks Mailed; Total \$349,000

Christmas savings checks amounting to \$349,000 were mailed to Quad-Cityans this week by the three local banks and two savings and loan associations offering Christmas Club savings plans.

The extra Christmas money went to 4001 area customers. Each had made regular contributions during the year to his particular account. The total amount would average about \$86 per saver.

Both the number of savers and total amount paid out this year are up from the 1961 figures. Last year about this time, 3408 customers received checks totaling \$302,028.

Movie On Food For Homemakers

"Food Can Be Dangerous," featuring a film from the Department of Health, Education and Welfare Public Health Service, Madison County Homemakers' Extension, was the major subject for discussion at a meeting of the South West District Monday afternoon in the "300" Room of the Big Top Bowl.

The film concerned food poisoning, an ever present danger both in the home and where quantities of food are handled by caterers and restaurants.

Also on the program was the topic "Artificial Respiration," an other safety or first aid principle everyone should know as accidents are occurring with increasing frequency. Mrs. Emerald Daves was chairman of the day and 30 attended.

Area School Board Members To Go To 3-Day Conference

Local school board members and administrators will be among 3700 attending the annual joint conference of the Illinois Association of School Boards and School Administrators to be held in Chicago Nov. 18 through Nov. 20.

Plans are for the entire board of Madison and Venice to attend along with the superintendent and for two Granite City board members and the superintendent.

The theme for the three-day conference, to be conducted at the Sherman Hotel, is "Improving Quality Education Through Teamwork." Delegates will be participating in 46 panel discussions.

Among the topics to be covered are—Are our public schools capable of developing the individual to his fullest potential? Good teacher morale—the factor in educational improvement? The school board deals with its policies; Dropouts, youth delinquency and unemployment; School finance; Financing public education; The pros and cons of a longer school term; What our students should know and understand about the communist system; Use of counsel for superintendents and board relations; School business management looks at itself; What

the board member needs to know about costs in education; Recent court decisions.

Principal speakers will include Rev. Charles H. Wiley, minister of the First Christian Church of Moine, who will deliver an address Sunday evening on "Honest Evaluations." The keynote speaker at the general session Monday morning will be Irving Billard of Collinsville, writer, author and lecturer, who will talk on "Let's Teach Liberty." The banquet address Monday evening will be by Dr. Andrew David Holt, president of the University of Tennessee. His address will be titled, "How to be a Cobalt Bomb."

Planning to attend from Madison are Board President John Belkoff, Secretary Dr. Steve Geroff, Members Henry Baucum, Del Blumenschein, Frank Berner, Chester McManaway, William Schreiber, and Atty. Austin Lewis. Treasurer Ray Kozielek and Supt. Wensel Brown.

From Venice, the district officers planning to attend are Board President Lester Salem, Secretary Leo Davinoy, Members Roy Musick, Thomas Foley, Eugene Elgan, Harold Seibert and Michael Leathman, Treasurer Donald Phillips and Supt. John Pier.

Granite City will send Dr. Harold M. Kaiser, superintendent, and two of the seven board members. Member Ralph Ruske will attend and a decision is yet to be made for a second board member. Those considering attendance are George Stitham, Daniel Linder and Board President Robert Spengler.

TOWERING 71 FEET IN THE AIR is a four-bin dry starch storage structure nearing completion at Union Starch & Refining Co. The tower-like building is located south of 19th street. Workmen of G. H. Stenberg & Co., contractor, can be seen near the top, putting on metal siding. The structure is erected of steel and the sides are of two eight-inch cement-asbestos paneling with a 1½-inch insulation "sandwich."

Gift Package Available For U. S. Savings Bonds

A familiar and popular gift item—United States Savings Bonds—will be available in an attractive new "package" this Christmas, according to Henry D. Karandjef, volunteer Madison county board chairman.

The package consists of a new gift envelope which will be available free at local banks and savings and loan association offices to purchasers of Savings Bonds to be used as gifts.

The envelope is faced in blue with a drawing of the American eagle holding a red, white and blue streamer. It is backed in white and flapped with the blue inscription, "A Gift for You . . . A share in America." Space for address and signature is also provided along with another inscription of "Keep Freedom in Your Future—with U.S. Savings Bonds."

"Coming at this time of year," Karandjef said, "the new gift folder is an attractive bonus to Christmas givers. Throughout the year, however, these folders will be available for all types of gift occasions, and will be kept in stock by the banks and savings and loan associations for this purpose."

"The folders are easy to mail, and can be slipped into a Christmas card envelope or tucked into a child's Christmas stocking. However they are given, they are certainly easy to receive!"

One Local Case On Ill. Supreme Court Docket

(Special from Springfield)

Six appeal cases from Madison county on the November term docket of the state Supreme Court includes one of local origin.

It is an appeal by Community Coach Co. seeking reversal of a Madison county circuit court decision which held for Henry Mill, a company employee. He is seeking damages for injuries said to have been suffered when he fell into a pit April 19, 1957, in the company's garage. He was looking for a bus on which he had left some bus tokens.

The state Supreme Court convened this week for its November term, the last for the calendar year. Its schedule calls for three weeks of oral arguments instead of the customary two weeks.

The high court also is to admit 412 new attorneys and 20 cases for final adjudication. The next term will be in January. Justice Roy J. Soltau, Jr. of Aurora is presiding.

Will Deliver Posters

Job's Daughters Will Aid In TB Christmas Seal Drive

Members of Bethel 43, Job's Daughters, will distribute posters Saturday for the annual Madison County Tuberculosis Association Christmas seal sale. Letters have been mailed from the headquarters at Edwardsville to over 55,000 homes in the county.

The poster distribution to stores throughout the Quad-Cities will be led by Miss Sondra Johnson, honored queen of Bethel 43, and about eight girls will participate.

They will be aided by Mrs. Nell Baskette, guardian, and Dr. E. H. Theis, associate guardian who is a director of the county TB Association.

Funds from the sale of TB Christmas seals are used for the free chest x-rays given throughout the county each year.

Granite City Kiwanis Plans December Event

Granite City Kiwanians made plans Monday for a coffee and doughnut event to be held Dec. 21 at the YMCA. The refreshments will be sold from 7 a.m. to 7 p.m. as a fund-raising project for the benefit of the youth program.

There was no program Monday. Twenty members attended the dinner meeting at the Elks' club.

The club was represented Tuesday night by 10 members and their wives at the "Fall Fellowship" in Belleville, hosted by the Belleville Kiwanis club.

"Light up for a merrier Christmas"

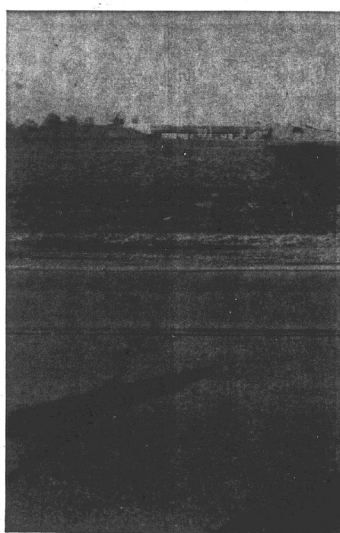

Each year more and more homes light up to say "Merry Christmas" in a big way to the entire neighborhood. You, too, can take part in this Christmas tradition with festive holiday lighting. Some well-placed strings of light and colored spot lights can turn your home into a giant Christmas card. Create your own Christmas card in

light or check your Illinois Power Company office for a variety of lighting ideas created by lighting consultants to please your good taste.

Permanent outdoor outlets make holiday lighting easier than ever—and they're inexpensive to install. Check with your electric contractor now.

Rites In Lenzburg For Mrs. Louise Musser, 75

Funeral services were conducted Tuesday afternoon at St. Peter's United Church of Christ, Lenzburg, for Mrs. Louise Musser, 75, of 2301 Lincoln avenue. Burial was in the Lenzburg Cemetery.

Mrs. Musser died at 10 p.m. Friday at St. Elizabeth Hospital. She had entered the hospital only a few hours earlier, after she was suddenly stricken at her home.

A resident of Granite City since 1948, Mrs. Musser was born in Lenzburg. She made her home there before coming to this community.

She is survived by a son, Lt. Col. Norman Musser of Washington, D. C., and a brother, Philip Deutchman of San Antonio, Tex. Her husband, William, preceded her in death in 1959. Four brothers and a sister also preceded her in death.

Mrs. Musser had been a member of St. Peter's Church in Lenzburg for 52 years, and belonged to the Women's Guild. She also belonged to Order of Eastern Star and the Royal Neighbors of America.

GC Provides Program At Art Teachers' Meeting

Granite City schools presented entertainment during the final session of the Illinois Art Education Association annual meeting held in St. Louis the past weekend.

Eugene Ainsel, art director, directed "living" pictures in both serious and humorous vein, featuring famous works of art originating in Illinois.

Special features of the local program including a concert by the Coolidge junior high school Latin American rhythm ensemble directed by Robert Todoroff, and the presentation of a gold key to the city to Mrs. Carolyn Howlett of Chicago, president of the IAEA, by Granite City Mayor Leonard R. Davis. Mrs. Davis also was a guest.

Art teachers from throughout the state attended the two-day convention, and Alton school system was the host. Joyce Blair of Granite City is secretary of the association.

Protestant Welfare Sunday Will Be Observed Nov. 18th

"Protestant Welfare Sunday" will be observed in local churches on Sunday, it was announced today by Oliver B. Jacobsen, president of the association.

Plans for special observances in churches were made at a recent meeting of the Quad-City Ministerial Association with Nov. 18 designated as the date. Local Protestant churches participate in the welfare agency with pastors and members serving on the board of directors.

A brief history of Protestant Welfare Agency, Inc., which has offices at 2052 Edison avenue, has been prepared by Charles Jungels, local attorney who is active in the operation of the agency.

He points out it was organized in 1953 by the churches for the purpose of functioning as a full time welfare organization "through united efforts on a much greater and effective basis than probably be done by an individual church."

The agency has no restrictions as to race, religion or politics and functions primarily for emergencies. It provides food, clothing, furniture, housing,

medical service, guidance and aid in the event of broken homes or on unwed mothers.

The office is staffed daily by a minister from one of the associated churches who donates his time and service. In addition, men and women of the churches aid in securing food and clothing and take part in furniture distribution and handling Christmas basket preparation. They also give guidance and administration aid.

The office has only one paid employee, a secretary. The officers and board meet once a month.

The agency first conducted its own fund drives, but now is a United Fund agency. Its budget from the United Fund last year was about \$12,000. However, an estimate of \$20,000 a year is given by the board in carrying out a year's program to include donations of services, clothing and furniture.

All of the meetings are open to the public.

The agency will hold an election on Nov. 20 and its annual meeting and banquet will be held Nov. 29 at St. Peter Evangelical & Reformed Church.

Mitchell Kiwanis Club Honor Veteran Member

John Madosh of Mitchell, a charter member of the Mitchell-Chouteau Kiwanis club, was honored Monday by his fellow Kiwanians in observance of Veterans' Day.

Madosh, who will be 85 on Jan. 24, is a veteran of the Spanish-American War and an active member of his club. He still drives to the weekly club meetings and takes part in interclub activities. He is a retired pipefitter formerly employed by Shell Oil Co.

The remainder of the program Monday was devoted to a report on the youth bowling program sponsored by the club. The dinner meeting was held at Smith's cafe. Eleven members attended.

WORLD FRIEND SUNBEAM STUDY

A study of the mission book "Kenji and the Lost Kite" was continued by the World Friend Sunbeams at Second Baptist Church Tuesday afternoon. Miss Evelyn Barnes, leader, opened the meeting with prayer, and the children made pictures of the Japanese flag for their notebooks. They also learned to count to

ten in Japanese, studied the holidays of "Michika's Game" to the story, "Michika's Game." Refreshments were served to Lana Lupardis, Nancy Hawkins, Jeannette Kelly, Patti Box, Frances Welty, Patricia Franklin, Cordell Burnett, David Freeman, Teresa McMurry, Mike Reynolds, Dean Olive, Bobby McCord, Mike Holloway, Rose and Janice Galle, and a visitor Bruce Freeman.

MISS HOFFMAN
HOSTESS TO YWA
Miss Betty June Hoffman, 1935 Benton street, was hostess Tuesday evening to the Young Woman's Auxiliary of Second

Baptist Church in her home and led a program on Mexico, supplementing the mission topics with recorded organ music and a map of Mexico on which silhouettes of the Bible, a school, etc., were placed. Miss Janet Sue Warmhoff was in charge of the business session, when plans were made for presentation of a white Bible to a bride-to-be, Miss Kay Bevil, next Sunday evening.

The study of a mission book was set for Tuesday evening, Nov. 27, at the church, and the group will have its Christmas meeting Dec. 11.
